I now desired the landlord to bring in ten, hoping

65c. Outs, about 3000 bushels at 622

66c. it could not have passed either birten of Congress.

The happings of the Gazette, are therefore, not only by that means to warm myself. When the tea things were brought, the atranger drew a chair for himself to be strength of the true friends of American industry would set their forces against editors and kettle which she held in her hand, apparently just from nos. Sold about 16,000 lbs. Scorchings at 3c. Small

much; yet what could I dol I had no excuse to turn him out. Suppose it should be the Spaniard I tush! nonsense! But however I tried to get myself rid of this thought I never succeeded in entirely banishing it, such strong bold has the idea of supernatural interference on a superstitious mind. I resolved, however, it is thought I never succeeded in entirely banishing it, such strong bold has the idea of supernatural interference on a superstitious mind. I resolved, however, in mere contradiction to my opinion, to put up with his company this once; and, endeavoring to be as understanding to b

of chillness came over me, and I would have retired, when the stranger got up and bowed politely, said, he was exceedingly happy to acceed to my request of alowing me to occupy the same room, and at the same ime handed me a chair. It was immpossible for me now to refuse; so thanking him for his offer, I seated myself, and, as I before said, being rather chilly, I asked him if he had any objection to a first I im-mediately perceived a strong alteration in his features, out it was only momentary; he instantly recovered him elf and said, "that for his part, his cloak, pointing to one which hung on the back of his chair, was quite enough for him, however cold the weather might be, and added, if I would put it on for one m was sure I would be warm enough then." I had a ort of instinctive dread of this closk, and I determin

on the landlord's entering asked his permission to make a fire. The stranger bowed his head, and fixed his hands on the wall, and semained silent. The landlord,

Signetura Frerax — We find in an old paper, a description of a singular freak of two young women in England, who had been waiting my arrival thin to live together as man and wife, in some place in the interior of the chair on which he sat! He rose sall entered the whosehood be the man; the one it fell on assumed the man; and kept an inn. James Han was sixteen and himself being free from the right of the politic politi but each performed the duties belonging to their station. They tradeed honestly, gained a great deal of smoney, were respected, and lived together thirty four years, until at last the wife died, about which time the discovery was made. James Han had often been of juries, and was to have been Church Warforeman of juries, and a carefully asks for a continuance of the same. Feathers and respectfully asks for a continuance of the same. Feathers and respectfully asks for a continuance of the same. Feathers and respectfully asks for a continuance of the same. Feathers again. In thethers, based or such that the plant is a station of the same. Fe

will fall short of last year, at least 30,000 bales. We learn from the Hamburg Journal, that twenty five bales of the new crop have been received in that city five of which sold for 7½ cents, and the remainder put hastily despatched, for every thing was cold. Silence in store.

THE BROOK. "The sunburnt child, with its rounded foot, Comes hither with me to play, And I feel the thrill of his lightsome heart, As he dusties the merry spray. I turn the mill with answering glee,

As the merry spokes go round, And the gray rock tukes the echo up, Rejoicing in the sound. The old man bathes his scattered locks, And drops me a silent teur; For he sees a wrinkled care-worn face Look up from the waters clear, Then I sing in his out the very song He heard in years gone by, And the old man's heart is glad again, And a joy lights up his eye.
