PITTSBURGH, PA.

MONDAY MORNING, SEPTEMBER 29 1845.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR SEPTEMBER.

W. H. Denny, J. F. Kelly, Josiah King.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, must always be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved.

A STRANGE CRAFT.—A handsome keel boat, the "Commercial," arrived at our city yesterday afternoon, from Rochester, New York, with ample lading. She came by the way of lake Ontario and Erie; thence by the Erie Canal and Conneaut Lake to Meadville, passed down the French Creek Feeder to the Allegheny river, and then down to our city. She is bound for Cincinnati, and departs to-day, we believe. A canal boat floating from the city of Rochester, through two lakes, two canals and on the bosom of two rivers, to Pittsburgh and Cincinnati! How strange would have sounded the prediction of such an occurrence half a century since.

THE RISE in the Allegheny has brought down large amounts of lumber, iron, produce, &c. We yesterday saw on the landing, lumbermen from Crawford, in this State, and Olean, New York. The "Clarion" has not probably risen to any extent.

BENEFIT OF MR AND MISS LOGAN.—To-night a magnificent bill is offered, being for the benefit of the popular *artistes* above named. The School for Scandal, one of the best of all the old sterling comedies, is to be played with a powerful cast; Mr Logan enacting Sir Peter, and his daughter my Lady Teazle, Connor, Neafie, and the whole strength of the company will appear. In the afterpiece Miss Logan plays (in pants) Little Pickle; Mr L. doing Old P.—A full house must be expected, and *some* fun, if not more.

MAMMOTH ENTERPRISE.—Messrs. Murphy, Wilson & Co., have again opened a splendid Dry Goods establishment, on the stand of their old store, that will not suffer in comparison with any in our city. Wood street is fast filling up with elegant stores, and this is one of the finest (and we are told the best at which to secure a good bargain,) of them all.

ALLEGHENY CEMETERY.—The sales of lots on Friday, amounted to over ten thousand dollars; some lots selling as high as $150. Another sale is to be held on the 4th of October.

HENRY BALDWIN INSTITUTE.

The members of the "Henry Baldwin Institute" are requested to meet at the residence of Hon Wm Porter, (Sixth street,) on Tuesday, 30th inst. at 7 o'clock, P. M., for the purpose of making arrangements to resume the exercises of the society.

BY LAST NIGHT'S MAIL.

LATER FROM CORPUS CHRISTI—*Shocking Steamboat Accident.*—Important news from Aransas and Corpus Christi to the 15th instant, have been received at New Orleans. There is nothing new from the army. The U. S. sloop of war St. Mary's arrived at Aransas Bay on the 15th, with despatches for Gen Taylor from Washington. On the same day the Porpoise touched there and sailed towards Vera Cruz. The steamer Dayton, with 30 or 40 persons on board, exploded her boiler on the 12th, between Corpus Christi and St Joseph's Island, killing Lieut Wiggins and Berry, of the 4th regiment of Infantry, and some 7 or 8 others besides slightly scalding 16 more. Capt Crossman, the Quarter master, and two officers, were blown about 100 yards, but were only slightly injured. The boat sunk in fifteen minutes. The Government of Texas had issued an ordinance intended to abrogate certain contracts entered into by the President of Texas with a number of persons, who have thus come into the possession of about a million acres of land, under the pretence of settling colonies. It directs the the District Attorney to enter proceedings against all such colony contractors, whilst the actual settlers are to be protected.

The Constitution which has been agreed upon it is thought will be accepted by the people without hesitation. President Jones' proclamation directs the justices of the several counties to cause the polls to be opened on the 13th of October next, for the purpose of taking the sense of the people of Texas in regard to the adoption or rejection of the Constitution; also, for the purpose of taking the expression of their opinion for and against Annexation; and also, for their opinion upon the adoption or rejection of the ordinance which we have copied above. The election is to be conducted and the returns made in conformity with the existing laws regulating elections.

A great commotion was produced at Austin on the 22d ult, by a report (unfounded, of course) that Gen. Taylor had been attacked by 8,000 Mexicans.

Gen James Pinckney Henderson, has consented to be a candidate for Governor of Texas "State."

Dates from Austin to the 23d ult, say that a party of five Mexicans, with $16 00 specie, have been captured by the Comanches, and one shot. The Indian who killed Hornsby, Mr Simpson, and others, was sold and sent to his own county and killed.

It is reported that the Camanches are going to raise the whole valley of the Rio Grande, in consequence of the defeat of the party under "Buffalo Hunt" a war chief, in June last. The Mexicans killed a great number of them, and now they say they are for revenge.

THE MORMON TROUBLES.—We have news from Warsaw, to the 18th. The excitement appears to increase, and the bad feeling already existing between the Mormons and the citizens, daily increases. The papers state that on Thursday, while a large party of the lawless rioters were burning the dwellings, barns, &c. of the defenceless Mormons on Bear Creek Jackson county, the Sheriff's posse fired upon them, killing one named M'Coid or M'Bratney. It is positively ascertained that Worrell was shot when he was firing a gun at the Sheriff. The Warsaw Signal, a paper that has been rendered notorious by its is famous persecution of the Mormons, is encouraging lawless spirits to commit these and still greater outrages.

SELLERS' GREAT REMEDY FOR LIVER COMPLAINT—NO CURE—NO PAY.

DEAR SIR—There were two boxes of your Invaluable Liver Pills brought to this county, which cured two persons who had been doctoring for the liver complaint for years. When I was last in Pittsburgh I bought two boxes more, for persons who have received great benefit from it; more than from any other medicine they have ever taken. As there are but few persons here who are not troubled more or less with Liver Complaint, there is great demand for your liver pills; I therefore send for one or two dozen. If I had known the value of your pills as I now know it, I would not have left Pittsburgh without taking a dozen boxes. Yours, J. KAUFMAN, Crawford Co. Pa.

A Remarkable Case.

Attention is asked to the following statement of Samuel M'Cord, Esq., of Wellsburgh, Va.

Wellsburgh, Va. May 26th, 1845.

I hereby certify that I was afflicted with the Liver Complaint and Phthisic for a long time; being more than a year under the care of a Physician, that the disease, instead of being relieved by the medicines I took, kept gradually getting worse; my body swelled so that I was unable to stoop low enough to tie my shoe.—When the disease was at the worst, I was recommended to try Sellers' Liver Pills. I did so, *and was relieved greatly by the first box, and completely cured by the second.* SAMUEL M'CORD.

These Pills which stand unrivalled by any Medicine known for the cure of diseased livers, are prepared and sold by R. E. SELLERS, No 125 Smithfield st sold also by Kerr & Mohler, 145 Wood st; L. Wilcox, Jr. and Wm. Thorn, Market st; Fess & Cassell, 5th Ward; and at P. Schwartz and John Mitchell, Allegheny City. sept3
