THE Sin of Ignorance is easily forgiven. Many of the "*nostrums*" of the present day are put out by persons who have no knowledge of the science of medicine in theory or practice, and in order to hide their ignorance cry out loudly against the "*Ignorant Pretenders*," and bribe others to boast for them, which oft times has gulled the unsuspecting, and for want of a proper knowledge of the diseases they pretend to cure, no doubt think they cure when they do not, therefore they are to be pitied, but not half so much as those who take their "*miserable compounds*," but they not only lose their money, but miss the advantage of that necessary advice which the real practical physician, is always able to give. We look to the tailor for an improvement in the mode of dress; to the medical man for an improvement in the science of medicine—and this accounts for the great superiority of *Dr Swayne's Compound Syrup of Wild Cherry* over all other medicines ever offered to the public for the cure of all diseases of the Lungs and Breast, Coughs, Colds, *Consumption*, Asthma, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Broken Constitution, &c. Remember always to inquire for the name of *Dr Swayne*, as all preparations which have the name of *Wild Cherry* attached were stolen from the great *original preparation*. The *genuine* is only prepared by *Dr Swayne*, corner of Eighth and Race streets, Philadelphia For sale by WM. THORN, Agent. ap 5-tnov1 Pittsburgh.

EXTENSION OF PITTSBURGH.
Rare Chance for good Investments!
THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, *One hundred and ten building Lots*, on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from the city line, and are situated in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No property in the suburbs possesses superior advantages, nor has any heretofore been laid out with so liberal an allowance of wide streets; Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and Beelen, Commerce, Brady, Columbus and Water streets all wide avenues. Most of the lots have *two fronts*, and as they are of various sizes, and will be sold, one lot, with the privilege of four or five; early applicants can be accommodated to suit their own views of improvement. Persons who desire to build or to make secure investments in property that is sure to advance in value, and particularly those who intend to erect manufactories, would do well to view these Lots, and examine the draft, before purchasing elsewhere. The survey for the Baltimore and Ohio Rail Road and the rail road survey by the State of Pennsylvania were both made alongside of this property, and it is generally considered that Braddock street, or the ground immediately alongside of it, affords the only eligible route for a Rail Road from Pittsburgh to the East. Coal can be delivered on this property at a much less cost than on the *Allegheny* river, and there is always deep water at this part of the river.

Democratic Review.
GREATLY REDUCED PRICE—FROM $5 TO $3 PER ANNUM—SINGLE COPY, 25 CENTS.
Prospectus of the next (or 17th) Volume.
THE PRICE of the DEMOCRATIC REVIEW has heretofore been too high—not for its size, cost, and character, but for the means of tens of thousands of readers who would be glad to receive it, and among whom is is highly desirable that it should circulate. For the purpose, therefore, of largely widening the range of its usefulness, and of multiplying the numbers of those to whom it may be accessible, it has been determined, simultaneously with the great reduction in the expenses of the postage, to reduce its subscription price also, *from Five to only Three dollars*; and when several unite in subscription, to as low as $2 50, or even $2 30 per annum.
This very large reduction in the receipts (accompanied with but a comparatively small diminution of its expenses) involves, of course, an entire sacrifice of profit upon it, unless compensated by a vast multiplication of its subscribers. There will be at the outset always able to give. We look to the tailor for an improvement in the mode of dress; to the medical man for an improvement in the science of medicine—and this accounts for the great superiority of *Dr Swayne's Compound Syrup of Wild Cherry* over all other medicines ever offered to the public for the cure of all diseases of the Lungs and Breast, Coughs, Colds, *Consumption*, Asthma, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Broken Constitution, &c. NOTICE TO CONTRACTORS.
BUREAU OF YARDS AND DOCKS, July 21, 1845.
SEALED PROPOSALS, endorsed "Memphis Navy Yard," will be received at this office until 3 o'clock P M. of the 20th August next, for furnishing and delivering materials and for executing work at the Navy Yard, Memphis, Tennessee, as follows:
For making the necessary excavation to reduce the bluff to the established grade of the yard, and for grading Front or Chickasaw street; for furnishing materials and building about 6,900 perches vertical wall; for the delivery of 12,300 perches stone, sandstone, limestone, or both; for the necessary piling on the eastern side of Wolf river to secure the shore; for the delivery of 372,400 pressed brick, and 544,900 salmon brick; for the delivery of 182,500 feet [board measure] assorted lumber, cypress, white and yellow pine, for roofing and inside work of buildings; for constructing the foundations for nine buildings for various purposes for making 221,000 cubic yards of embankment; and for clearing the whole ground [about thirty-two acres] of the undergrowth and trees.
Persons making offers must state the price per cubic yard for excavation; the price per cubic yard for embankment; the price per perch of twenty-five cubic feet for vertical wall; the price per perch of twenty-five cubic feet for stone; the price per foot lineal measure, for each kind of timber; for piles when driven and finished according to the plan; the price per thousand for each kind of brick; the price per thousand feet, board measure, for lumber for the foundations of buildings; the price per foot, lineal, for piles; the price per thousand feet, board measure, for any wood work required, and the price per perch for the foundation walls. For clearing, the proposals must state the gross sum for the whole job; the contractors to have the wood which is upon the ground. The gravel upon Front and Chickasaw street must be preserved, and spread again upon the street after it has been graded; the work to be paid for at the same rate per yard as excavation.
The Department expressly reserves the right of diminishing or increasing the quantity of materials and the amount of work in the several portions of the estimates here furnished; and should the quantities of materials and the amount of work be increased beyond the estimates, the same price as is specified for that kind or description of materials or work shall be paid to the contractor, and no more.
The materials and work must be subject to inspection and approval of persons to be appointed by and under instructions from this Bureau; and none will be received or approved which shall not pass such inspection.
Contracts and bonds, with two approved sureties in one-third the amount of contract will be required, to be entered into within twenty days after the notification of acceptance of the bid; and ten per cent. of the amount of all bills will be retained as collateral security for the faithful performance of the contract, which will be paid only on the satisfactory completion of it; and ninety per cent. of all deliveries made and work executed will be paid on all bills properly authenticated within thirty days after their presentation to the NAVY AGENT.
Bidders are required to accompany their proposals with evidence of ability, together with the names of their sureties, whose responsibility must be certified by the United States District Attorney, NAVY AGENT, or some person well known to the Government; otherwise their proposals will not be acted upon.
Plans of the works can be seen, and such other information as may be required can be obtained, by application at the Engineer's office, Memphis.
To be published once a week until the 21st of August at the Union, Intelligencer and Constitution, D. C.; Baltimore Republican, and Sun; Pennsylvanian; Philadelphia Morning News, Evening Post, and Journal of Commerce New York; Harrisburgh Union, Morning Post Pittsburgh; Enquirer, Richmond, Va.; Nashville Union; and Memphis Appeal.
Proprietors of the above papers will be pleased to send a copy of the paper containing the above advertisement to this Bureau.

LAST LIKENESS OF GENERAL JACKSON.
The admirable Daguerreotype of General Jackson, by Cornelius Anthony, Edwards & Co. at the weekly lecture last evening, has been pronounced by the friends of the General, to be in the hands of the artist, and will be engraved in the finest style of mezzotint for engraving. It is a most beautiful and interesting work, and as Mr Van Buren and others to give a more perfect idea of the good and great old man, it is very desirable that all who have or can procure Daguerreotypes of him, should send them to the artist, as the engraving will be executed in the most perfect manner.
