THE Sin of Ignorance is easily forgiven. Many of the "*nostrums*" of the present day are put out by persons who have no knowledge of the science of medicine in theory or practice, and in order to hide their ignorance cry out loudly against the "*Ignorant Pretenders*," and bribe others to boast for them, which oft times has gulled the unsuspecting, and for want of a proper knowledge of the diseases they pretend to cure, no doubt think they cure when they do not, therefore they are to be pitied, but not half so much as those who take their "*miserable compounds*," but they not only lose their money, but miss the advantage of that necessary advice which the real practical physician, is always able to give. We look to the tailor for an improvement in the mode of dress; to the medical man for an improvement in the science of medicine—and this accounts for the great superiority of *Dr Swayne's Compound Syrup of Wild Cherry* over all other medicines ever offered to the public for the cure of all diseases of the Lungs and Breast, Coughs, Colds, *Consumption*, Asthma, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Broken Constitution, &c. Remember always to inquire for the name of *Dr Swayne*, as all preparations which have the name of *Wild Cherry* attached were stolen from the great *original preparation*. The *genuine* is only prepared by *Dr Swayne*, corner of Eighth and Race streets, Philadelphia For sale by

EXTENSION OF PITTSBURGH.
Rare Chance for good Investments!
THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, *One hundred and ten building Lots*, on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from the city line, and are situated in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No property in the suburbs possesses superior advantages, nor has any heretofore been laid out with so liberal an allowance of wide streets; Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and Bowlen, Commerce, Brady, Columbus and Water streets all wide avenues. Most of the lots have *two fronts*, and as they are of various sizes, and will be sold, one lot, with the privilege of four or five; early applicants can be accommodated to suit their own views of improvement. Persons who desire to build or to make secure investments in property that is sure to advance in value, and particularly those who intend to erect manufactories, would do well to view these Lots, and examine the draft, before purchasing elsewhere. The survey for the Baltimore and Ohio Rail Road, and the rail road survey by the State of Pennsylvania were both made alongside of this property, and it is generally considered that Braddock street, or the ground immediately alongside of it, affords the only eligible route for a Rail Road from Pittsburgh to the East. Coal can be delivered on this property at a much less cost than on the *Allegheny* river, and there is always deep water at this part of the river.

Caution.
The advantage and right of *Sugar Coating Pills* belong *exclusively* to *Dr. Smith*, as will be seen by the following:

PATENT OFFICE.
Received this 17th day of June, 1844, from Dr. G. Benjamin Smith, the fee of $30, paid on his application for a Patent for a "Pill coated with Sugar."
H. L. ELLSWORTH, Commissioner of Patents.

The following Certificate is from the first Druggists and others in New York, given in 1844, making it more than two years ago.

We, the undersigned, never saw or heard of "*Sugar Coated Pills*," until Dr. G. Benjamin Smith manufactured and exhibited them to us about a year since.

Rushton & Co. 110 Broadway,
and 10 Astor House.
Israel Randolph, M. D., 86 Liberty street.
Horace Everett, 96 Hudson street.
John Castree, 97 Hudson street.
D. Sands, 79 Fulton street.

Unless a Pill is a *good medicine*, what is the Sugar good for? Some 10 or 15 ignorant adventurers have arisen, from the great success of Dr. G. Benjamin Smith's Pills, that if they only put a coating of sugar on *any thing* it will *sell* as rapidly as those celebrated Pills do. Some of them find their mistake and even offer their trash at 6¼ per box.

To avoid all *imposition*, let the public examine *everybox*, and if G. Benj. Smith is *written* with a *pen* on the *bottom*, the Pills are good.

A VOICE FROM SENECA FALLS, N. Y.
The Sugar Coated Indian Vegetable Pills.
AUGUST 2nd, 1845.

Your Pills are a superior article, as I can well assure you from my own experience. When I am attacked with my old complaint; the pleurisy, usually preceded by the bilious fever, I always find them a sovereign remedy a sure preventive. Your Pills should be kept in every family, and if seasonably taken they will prevent much sickness and save much expense. Truly yours,

Prospectus of the New Library of Law and Equity,
UNDER the direction of FRANCIS J. TROUBAT, Esq. of Philadelphia, Hon ELLIS LEWIS, of Lancaster, and WILSON M'CANDLESS, Esq. of Pittsburgh.

This work contains the best productions of English law authors, without regard to priority of claim on the part of any American publisher. Such books are now notoriously too dear. The reason is, that as fast as they appear they become monopolies in the hands of booksellers in the Atlantic cities. Under the plea of right acquired by the addition of notes of American decisions, the latter claim an undivided title to those works, and set a burthensome price on them.—The publishers of the work now offered to the profession throughout the Union, will not respect such titles, but will re-print the standard British law books as fast as they eminate from the London market. Should new editions of the works of such writers as Starkie, the Chitty's, Stephen and Archbold, appear, they shall also be included; and Digests of Equity and Law decisions—works which have been studiously kept out of the Law Library published at Philadelphia—shall have a place in the proposed new one, together with every new valuable English treatise on Chancery or Common Law.

☞ This work will be issued monthly in numbers of 160 pages, printed on fine white paper and good new long primer type, at seven dollars per annum, payable half yearly. ISAACG M'KINLEY,

HARRISBURGH, Pa., July 1, 1845.—july 22–tf.

PROSPECTUS
OF THE
CONGRESSIONAL UNION AND APPENDIX,
&c. &c.

THE undersigned respectfully inform the public, that, with the approaching session of Congress, they will begin the publication of the "Congressional Union and "Appendix." The first will contain a full and accurate history of the daily proceedings of both branches of the national legislature. It will be compiled with such care, that every citizen who is interested in the public affairs will find it a complete synopsis of their proceedings, and a ready book of reference upon all questions which come before them.

The second (the "Appendix") will contain every speech which is delivered in the House of Representatives and Senate during the session, reported at length by a full and able corps of congressional reporters, and revised before publication by the author, when it is requested. These works will be strictly impartial and are intended to be as interesting and useful to the man of business, and to the politician of one party, as of the other.

We feel a deep sense of gratitude for the prompt manner in which our political friends in every section of the country have already come forward to sustain the "Union."

May we not hope that our friends throughout the United States will continue to assist our labors, and prevail upon their friends to take some one edition of the "Union."

☞ As this will be the long session of Congress, and will probably last eight months, we have concluded to publish the CONGRESSIONAL UNION, and APPENDIX on the following

TERMS.

For the Congressional Union, $1 50 per copy.
For the Appendix, $1 50 per copy.
Clubs will be furnished with *Ten* copies of either the above works for $12. *Twenty five* copies for $20.

☞ We will willingly pay the postage on all letters sent to us containing *five dollars* and upwards. Other letters directed to us, with the postage unpaid, *will not* be taken out of the office.

☞ Newspapers throughout the country, who will publish the above prospectus until the meeting of Congress, will receive, in return, the Congressional Union during the session.

Democratic Review.
GREATLY REDUCED PRICE—FROM $5 TO $3 PER ANNUM—SINGLE COPY, 25 CENTS.

Prospectus of the next (or 17th) Volume.
THE PRICE of the DEMOCRATIC REVIEW has heretofore been too high—not for its size, cost, and character, but for the means of tens of thousands of readers who would be glad to receive it, and among whom is is highly desirable that it should circulate. For the purpose, therefore, of largely widening the range of its usefulness, and of multiplying the numbers of those to whom it may be accessible, it has been determined, simultaneously with the great reduction in the expenses of the postage, to reduce its subscription price also, from *Five* to only *Three* dollars; and when several unite in subscription, to as low as $2 50, or even $2 30 per annum.

This very large reduction in the receipts (accompanied with but a comparatively small diminution of its expenses) involves, of course, an entire sacrifice of profit upon it, unless compensated by a vast multiplication of its subscribers. There will be at the outset only a small reduction in its number of pages; soon to be restored to its old number, without increase of price, when the anticipated success of the experiment shall justify it.

The PORTRAITS OF DISTINGUISHED DEMOCRATS will be continued—engraved in better and more costly style than heretofore.

The POSTAGE will hereafter, for any distance, be only *five and a half cents*; it has heretofore been, for over 100 miles, *eighteen cents*.

We look for an extension of circulation to be reckoned by *tens of thousands*, as the result and compensation of this great reduction of price. Every friend of the work, and of the Democratic principles and cause, is confidently appealed to, to exert himself with an active interest to procure it subscribers; both to extend its usefulness, and to carry it successfully through the crisis of this great reduction of its receipts.

Those who have paid in advance for the coming year, will receive it, at the reduced rate, for a year and a half.

TERMS HENCEFORWARD.
(INVARIABLE IN ADVANCE.)

Single copy,	$3 00	Eight copies,	$20 00
Four copies,	11 00	Thirteen "	30 00

It will thus be seen that when thirteen copies are ordered at once, the price is brought down to about $2,30 each. For six months, half these rates.

These rates afford high inducements to agents and others to interest themselves to procure subscribers.

The *cash system* and *payment in advance* must be scrupulously adhered to. The past relaxation of it has caused an accumulation of not far from 40,000 of debts due to the work. Hereafter this must be wholly reformed; nor must either eminent politician friend, or the most intimate personal one, be displeased on experiencing its application, in the stoppages of their numbers, if they neglect this rule; the vital necessity of which, at the present reduced rates, must be obvious to all.

No communications will be taken from the Post Office unless free of postage.

All communications, both on editorial and publishing business, must be addressed henceforward to the undersigned. Those relating to the settlement of the past debts due the work will be still addressed to Mr H G LESOLET, *8 Astor House*, the past arrangements with whom, as publisher, have reached their termination.
J. L O'SULLIVAN,
July, 1845. 132 Nassau street, New York.

LAST LIKENESS OF GENERAL JACKSON.
The admirable Daguerreotype of General Jackson, taken by Anthony, Edwards & Co. a few weeks before his death, has been purchased for the use of the Democratic Review. It is in the hands of the artist, and will be engraved in the finest style of mezzotint of extra size. It is a most beautiful and interesting work declared by Mr Van Buren and others to give a more perfect idea of the good and great old man than any other likeness; and ought to be possessed and framed by every friend who loves or reveres his memory.—Those who subscribe early will receive it as one of the regular series of Portraits.
