PITTSBURGH, PA.

FRIDAY MORNING, OCTOBER 10, 1845.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR OCTOBER.

George Ogden, W. Barker W. J. Howard.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, must always be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved.

☞Another fine Hotel will soon be finished, at the corner of Third and Smithfield streets, and is to be kept by our popular neighbor, Mr. T. Owston. It will be one of the largest, and certainly one of the best conducted houses in the Iron city. This, for our friends abroad—for every body in this region knows Mr. Owston. We are not yet informed when he will be ready to open, yet trust the time is not far distant.

☞The fine new steamboat MILWAUKIE, Capt. CHARLES E. CLARK, leaves this day, at 10 o'clock, for Cincinnati and Louisville. Capt. C. is one of the best and most accommodating officers on the river, and his boat is new and completely furnished—this being only her second trip. Travellers should remember that she will start exactly at the hour.

FIRST WARD.

A meeting of the Democrats of the 1st Ward, will be held at James Little's, this (Friday) evening, at 7 o'clock. Come one, come all.

oct10 MANY DEMOCRATS.

MASONIC NOTICE.

A Special communication of Lodge 45, A Y Masons, will be held this evening, at the hall, corner of Wood street and Virgin alley.

By order of the Worshipful Master.

A. M'CAMMON, Secy.

oct 10.

☞The Rt. Rev. Bishop Potter will officiate on Sunday morning next, the 12th inst., at St. Andrew's Church—in the afternoon, at 3 o'clock, at Christ's Church, Allegheny city—and in the evening, at 7 o'clock, at Trinity Church. The change from the 19th, the original appointment, to the 12th, is occasioned by unexpected changes in his visitation at the north.

oct 8.

Died,

On Thursday the 9th, at the house of Mrs Brady, between Smithfield and Grant streets, on Sixth, Robert W. Irons, Printer. Aged 23 years.

His funeral will take place this afternoon at 5 o'clock. His friends are invited to attend, without further notice.

On Monday Morning the 29th ult., Mrs. Mary Dawson, wife of George Dawson Esq., of the Borough of Brownsville, Pa., aged 50 years.

Thus has another of our oldest inhabitants fulfilled that appointment allotted unto all. A long life of "good words and good works"—a full confidence in him who is "able and willing to save," will enable her to triumph at that judgement which is to come after.

For more than thirty years a member of this community, and for many years a member of the Episcopal Church, her absence will cause a void to be long remembered. To her own family and relatives, to whom she was best known—her seat can never be filled, or the memory of her virtues and endowments effaced.

M'KEE & CO.

FALL FASHIONS.

THE subsriber would respectfully announce to his numerous customers and the public that he is prepared to supply them with his beautiful style of hat. He would say to all who wish to get the worth of their money, that this is the place to come and buy. It is well known that quite an inferior article of Hats have been sold at exorbitant prices, and the purchaser getting but truck for his money and earnings. The order system is but slightly touched, and he does not manufacture an inferior article to palm off on the working man. His business is conducted on the CASH SYSTEM, and he is determined to sell cheaper than the cheapest of the cheapest.

His stock of FALL AND WINTER CAPS are of the most fashionable style. Customers' Hats made at shortest notice. Also, Ladies' Riding Caps and Infant's Caps of every pattern to suit the taste.

JUST received, a fresh supply of new styles cloths—fancy colors and beautiful patterns. The colors are Citron, Green, Olive and Claret Brown, Mulberry, Gold mixed and Black. These goods are now even in the Eastern cities; having just been imported for the Tailors. We pledged ourselves to get up a superior coat this fall—better than ever." The practical partner of our firm has been to New York, to purchase goods, and to secure the latest improvements in his department, all of which will be introduced on our work, with a discriminating regard to true elegance and correct taste. We are prepared to fulfil all promises made through this medium or otherwise; and as we lay claims to be THE FASHIONABLE HEAD QUARTERS of this city, we will pledge ourselves furthermore, to compete with any Eastern house that sends work to Pittsburgh, made to order. In proof of our ability to do so, we mention with pride, that the names of many gentleman who formerly received their garments from the East, are now to be found on our register of customers, who are now convinced that they can be suited as well, and at more reasonable rates. BY LAST NIGHT'S MAIL.

MAIL ROBBER.—Remelear Woodruff, brother of the postmaster at Peoria, Ill., has been arrested and committed in Ottawa jail, for abstracting money from letters passing through his hands. The depredations have been traced some period back and leave no doubt of the guilt of Woodruff.

☞John Smith, a Prussian sailor, was drowned at Baltimore on Tuesday.

☞Mr. Frelinghuysen lies dangerously ill at N. York.

☞At N. Orleans, on Friday, a young man named James Bedanah, was killed in a sugar mill. His head was literally crushed by the arm of a large wheel.

PLEADING GUILTY.—Since the conviction of one or two of the anti-renters, the others who have been indicted are pleading guilty to the charge of arming, disguising, &c. This is in accordance with a recommendation of the court, who promised to consider it favorably in the sentence.

MR. PAINE SHOT AT AGAIN!—That extraordinary man Paine, was shot at again in Washington City, on the evening of the 6th. The weapon was an air gun, and Paine's hat was damaged. If P. is, as appears, bullet proof, he is not proof against bullets.

☞The Warsaw Signal, extra, of the 30th ult., contains a confirmation of the general features of the account given by us yesterday of the arrest of some persons suspected to have been the perpetrators of the murder of Col Davenport on the 4th of July last. It seems, however, that the arms recognized as those of the murdered man, were not found in the possession of the accused, but in a pond in the vicinity.—There is said to be a very strong chain of circumstantial evidence against the accused.

[*St. Louis Organ, 3d inst.*

From Mormondom.—By the Die Vernon yesterday, we received the following additional news from Mormondom. About the only item of interest, is, that a con ersation of the Antes was to have come off yesterday, at Carthage, the object of which was, the final conclusion as to what was to be done with the Saints. We suppose by this time Nauvoo is made desolate—so far as speechifying can render her so.

☞The Whitewater Canal is now being cleaned out, the water having been drawn off for that purpose for two or three days, from Mill Creek to the City Basin. A temporary dam will be thrown across the Canal near Mill creek, by which means boats can reach that point. [*Cin. Times, 6th inst.*

ACCIDENT IN A CHURCH.—The Richmond Enquirer of Monday, says:—"We learn that the floor of the new Methodist Chapel, on Brooke avenue, erected by Mr James Taylor, sunk some three feet during divine service on Sunday evening last. The house was very much crowded, but no one, we are glad to state, was seriously injured, although a good many jumped out of the windows. Hats, capes, shawls, &c., suffered considerably. The Rev. C. C. Griswold was officiating at the time of the occurrence."

Democratic Review.

GREATLY REDUCED PRICE—FROM $5 TO $3 PER ANNUM—SINGLE COPY, 25 CENTS.

Prospectus of the next (or 17th) Volume.

THE PRICE of the Democratic Review has heretofore been too high—not for its size, conduct, or whom is it highly desirable that it should circulate. For the purpose, therefore, of largely widening the range of its usefulness, and of multiplying the numbers of those to whom it may be accessible, it has been determined, simultaneously with the great reduction in the expenses of the postage, to reduce its subscription price also, from *Five* to only *Three* dollars; and when several unite in subscription, to as low as $2 50, or even $2 30 per annum.

This very large reduction in the receipts (accompanied with but a comparatively small diminution of its expenses) involves, of course, an entire sacrifice of profit upon it, unless compensated by a vast multiplication of its subscribers. There will be at the outset only a small reduction in its number of pages; soon to be restored to its old number, without increase of price, when the anticipated success of the experiment shall justify it.

The Portraits of Distinguished Democrats will be continued—engraved in better and more costly style than heretofore.

The Postage will hereafter, for any distance, be only *five and a half cents*; it has heretofore been, for over 100 miles, *eighteen* cents.

We look for an extension of circulation to be reckoned by *tens of thousands*, as the result and compensation of this great reduction of price. Every friend of the work, and of the Democratic principles and cause, is confidently appealed to, to exert himself with an active interest to procure it subscribers; both to extend its usefulness, and to carry it successfully through the crisis of this great reduction of its receipts.

Those who have paid in advance for the coming year, will receive it, at the reduced rate, for a year and a half.

TERMS HENCEFORWARD.

(INVARIABLE IN ADVANCE.)

Single copy,	$3 00	Eight copies,	$20 00
Four copies,	11 00	Thirteen "	30 00

It will thus be seen that when thirteen copies are ordered at once, the price is brought down to about $2,30 each. For six months, half these rates.

These rates afford high inducments to agents and others to procure new ones, in all shades;

The *cash system* and *payment in advance* must be accompromisingly adhered to. The past relaxation of it has caused an accumulation of not far from 40,000 of debts due to the work. Hereafter this must be wholly refused; nor must either eminent politician, friend, or the most intimate personal one, be displeased on experiencing its application, in the stoppage of their numbers, if they neglect this rule; the vital necessity of which, at the present reduced rates, must be obvious to all.

No communications will be taken from the Post Office unless free of postage.

All communications, both on editorial and publishing business, must be addressed henceforward to the undersigned. Those relating to the settlement of the past debts due the work will be still addressed to Mr H G Langley, 8 *Astor House*, the past arrangements with whom, as publisher, have reached their termination.

J L O'Sullivan,
July, 1845. 132 Nassau street, New York.

LAST LIKENESS OF GENERAL JACKSON.

The admirable Daguerreotype of General Jackson, taken by Anthony, Edwards & Co. a few weeks before his death, has been purchased for the use of the Democratic Review. It is in the hands of the artist, and will be engraved in the finest style of mezzotint of extra size. It is a most beautiful and interesting work declared by Mr Van Buren and others to give a more perfect idea of the good and great old man than any other likeness; and ought to be possessed and framed by every friend who loves or reveres his memory.—Those who subscribe early will receive it as one of the regular series of Portraits.

Removed to the Old Stand.

CHARLES H. KAY respectfully informs his *friends* and *former customers*, that he has opened at the OLD STAND, (which has been re-built and enlarged since the Fire of 10th April,) *corner of Wood and Third Streets*, opposite Woods' new Hotel, with a large and well selected Stock of *Paper, School, Classical, Blank, Law, Medical, Theological and Miscellaneous Books*, Plain and Fancy Stationary—and every article in his line suitable for COUNTRY SALES, all of which have just been purchased by him, for *cash*, in the Eastern cities.

C. H. K. proposes confining his sales generally for *cash*, and will make a corresponding abatement on the prices heretofore charged by the trade. Liberal discount made to Colleges and Schools.

Seller's Imperial Cough Syrup.

☞ *Additional Proof of its Power to Cure.*

FAIRFIELD, Va., August 30, 1845.

MR. R. E. SELLERS: Being afflicted for some time with a bad cough, I was recommended to use your Imperial Cough Syrup by my young friend Mr Wm. W. Templeton, your agent for this place. I done so. It had the desired effect in relieving me of a cough that I had despaired of ever being well. I had used almost every thing that was in my power to get, but received no benefit until I met with your never to be excelled invaluable Cough Syrup. I feel fully satisfied in saying to you, and recommending it to the public as one of the best medicines that has ever been prepared for the cure for which it is intended.

Respectfully, yours,
JAMES BROWN SMITH.
