In the year of 1840 I was taken with an inflammation of the bowels, which I labored under for 6 weeks when I gradually recovered. In the fall of 1831 I was attacked with a severe chill, which scated itself upon my long; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and thus I beard of weeks who have no knowledge of the screene of my bed. I tried all kinds of medicines, and thus I wearied along until the winter of 1844, until I heard of "Wistar's Balsam of Wild Cherry."

THE Sin of Ignorance is easily forgiven. Many of the presented ay are put out by persons who have no knowledge of the screene of medical and without benefit, and thus I wearied along until the winter of 1841, until I heard of "Wistar's Balsam of Wild Cherry."
