950 pairs 3-point white Muckings blankets agracked with a severe cnin, which scatted itsen upon my lungs; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every kind of medical aid without benefit, and thus I westied along until the winter of 1344, until I heard Confirmation of Will Change. My friends pursuaded me to give it a trial, though
I had given up all hopes of recovery and had prepared

their solicitations I was induced to make use of the

was truly astonishing. After five years of affliction,
pain and suffering; and after having spent four or five
