PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR NOVEMBER.

W. Eichbaum, A. Gordon, James Marshall.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, must always be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved.

AN OLD ENGLISH NEWSPAPER.—Mr. C. S. Bickley, whilst engaged in arranging some books, preparatory to an Auction sale at the store of JOHN D. DAVIS, on Saturday, 15th, and a copy of the *"London Times,"* bearing date August 12th, 1813.

MESMERISM.—*Thomas Fagan*, late of New York, will give some interesting experiments in Animal Magnetism, at Philo Hall, Third street, this evening. He requests us to say, that a Lady of this city has consented to attend and have a tooth extracted, whilst in a magnetic sleep.

REMOVED.—Messrs. BOADLEY & SMITH, Wholesale Grocers, have removed to their new Warehouses, Nos 18 and 20 Wood street, east side, where they are well supplied with articles in their line. Messrs. B. and S have erected the splendid warehouses of which they have just taken possession, since the great fire on the 10th of April; the buildings are very extensive, and the interior arrangement are indeed excellent.

TEMPERANCE HALL.

The Rev. Mr. Crawford, will address the Washtonians, this evening at early gas light.

BY LAST NIGHT'S MAIL.

THE EMPIRE CITY.

NATIVISM AND WHIGGERY BOTH ROUTED.

We have returns from the city of New York, Richmond, and several other counties, bringing the glorious information that Nativism and Whiggery are both routed. The Whigs having once more a higher vote than Nativism, which it has not had since the spring of 1844. The Democratic plurality is some 3 or 4,000 with which they carry the whole rugularly nominated ticket. This is glorious news, and we congratulate our friends in New York, on the auspicious results. The comments of the Globe follow:

The Senator, the Register, and the thirteen members of the Legislature are elected by an unexpected and triumphant majority. Whiggery and Nativism are put to rout. The noble policy of President Polk as reflected in his inaugural is sustained in a quiet election by an overwhelming majorited of the votes polled. His foreign policy is sustained by the most decisive majority, and that majority is given by the people of the great *Commercial* Emporium of the Western Continent. We feel proud of our city. When has there been a crisis where her sturdy democracy have not come off victors? When has she failed not only to originate great measures but to use her Herculean arm in their consummation?

The Morning News has the table of votes which we give on the Senator.

ANOTHER BRILLIANT TRIUMPH FOR THE DEMOCRACY!

The Democrats carried the strongest Whig Congressional District in the State of New Jersey, having elected that talented and sterling Democrat, the Hon. M. Sykes, by a handsome majority. If the Democrats have not carried the legislature, they have at any rate succeeded in carrying a large majority of the State. Another City State wheeling into the Democratic line.

GOOD FOR MICHIGAN!!

An election for Governor, Lieut. Governor, and members of the Legislature, took place in Michigan on Tuesday last. The Democracy have achieved a glorious victory. We give the returns for Governor as far received:

FROM PENSACOLA.

Important.—The Pensacola correspondent of the Mobile Tribune, under date of October 29, says:—

The U. S. steamship Mississippi arrived at this port to day, and anchored off the navy yard at 10, A. M. She is five days direct from Vera Cruz, and brings ing important communications from the Mexican government—so important indeed that the Princeton was despatched with duplicate copies, and both steamships were directed to reach Pensacola with all possible celerity. The Princeton has not yet arrived, having been beaten by the Mississippi.

To-day being a mail day, the communications were immediately carried up to Pensacola in the U. S. steamer Gen. Taylor, and thence despatched to Washington.

The Mississippi brings no general intelligence of interest. On the second day of her leaving Vera Cruz the Princeton was in sight but was not seen afterwards. She is however, expected in hourly.

The U. S. brig Somers, from Vera Cruz, arrived in this port and anchored off the Navy Yard yesterday at noon. She brings no intelligence of importance. All the Gulf squadron, excepting the Potomac and Lawrence, were lying in Vera Cruz harbor at the time the brig left that port. Quietness every where prevailed, with a consequent great dearth of news.
