PITTSBURGH, PA.

FRIDAY MORNING, NOVEMBER 14, 1845.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR NOVEMBER.

W. Eichbaum, A. Gordon, James Marshall.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, must always be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved.

EXCHANGE HOTEL, JOHNSTOWN, PA.—This well furnished Hotel is kept by SAMUEL BRACKEN. Travelers speak in the highest terms of the host and hostess; no pains is spared by them to make travelers comfortable—the accommodations are such as cannot fail to please.

The Hotel keepers in the interior, are generally making arrangements to increase the comfort of the traveling public. At Plain No. 2, Portage Railroad, an excellent and well furnished Hotel is kept by RICHARD TROTTER. Mr T. has taken great pains to make his house comfortable and deserve public patronage.

☞ Officer TURNER caught a young fellow by the name of Henry Dick, bursting in the door of a house on Liberty st., last night; he was sent to the Hill.—There were four or five cases yesterday morning for different offences; all sent to the Hill, except one, who paid his fine.

FIREMEN'S BENEFIT.—The proceeds of the Theatre to-night are to be appropriated to the use of the Pittsburgh Fireman's Association. The Managers have behaved handsomely in the matter, and we trust their generosity will be remembered hereafter. The piece chosen for the evening's entertainment are excellent.

COMPLIMENTARY BENEFIT TO OLD CHARLEY—It will be seen by the correspondence in the Post of this morning, that the performers attached to the Theatre, intend giving the worthy Manager, Mr. PORTER, a complimentary Benefit, on Monday night.

To Consumers of Coffee.

COFFEE ROASTING—The subscriber would call the attention of hotel and boarding house keepers and others to his Coffee Roasting Machine, by which coffee in any quantity can be roasted in a very little time and in a very superior manner, every grain being browned alike, and at so small expense as to make it an object for housekeepers to save the time and trouble which is usually lost in doing it. The fact of his having roasted for several years for our two largest hotels, the Monongahela House and Exchange is sufficient recommendation of the superiority and economy of the above plan.

CHARGES—For roasting any quantity not exceeding 50 pounds, 50 cts. for roasting any quantity exceeding 50 pounds, 1 cent per pound. for roasting and grinding any quantity not exceeding 50 pounds, $100; any quantity over 50 pounds, 2½ cts per pound.

He would respectfully invite keepers of hotels, boat stores and others, to call and examine for themselves.

BY LAST NIGHT'S MAIL.

ROBBERIES AT NEW YORK.—On Saturday evening some skilful thief entered the National Hotel, in Courtland street, New York, and stole $500 from the trunk of a boarder, without detection.

A passenger by the Bridgeport steamer on Saturday had his trunk, containing much valuable clothing, cut from behind the carriage while riding to his place of destination.

On Sunday, about noon, the confectionary shop of Pease & Son, in Division street, was entered and robbed of about $100 worth of property.

The store of 129 Broadway, was broken open on Thursday night, and a large quantity of goods stolen. The villains afterwards attempted to fire the place, but a timely alarm was given. A light had been placed under the counter.

MEXICO.—The Washington Union of the 11th says: "We have additional translations from Mexican papers, received by the United States vessels at Pensacola, from Vera Cruz. One is the "Monitor Constitucionalist" of the 10th of October. It proposes to raise the 15 million loan (to carry on the Texan war) out of the funds of the clergy. The other is the "Diario del Gobierno" of the 12th, which seconds the proposition."

THE MORMONS.—The St Louis Organ of the 6th says: "Passengers by the Lucledo yesterday, state the Mormons have declined all communication with the gentiles, no matter from what quarter they come and have denied their entrance into the city. Major Warren had not returned from Springfield.

FROM RIO JENEIRO.—By the arrival of the brig Cervantezes, Capt Taylor, from Rio Janeiro, sailed Sept 16, we have received the Journal do Commercio of the 14th Sept, from which we extract the following item of news:

"We have received positive information that the English transport Resistance, from Gibraltar, with a battalion of the 45th regiment (210 infantry,) destined for the Cape of Good Hope, has received orders to proceed forthwith to the Rio de la Plata."

WHEAT TRADE.—The Philadelphia U S Gazette of Tuesday, says:

"Wemisicd yesterday the transhipment from various river crafts and canal barges, of several cargoes of Pennsylvania and Delaware wheat to the large vessels bound to English ports; and that too, to such an extent as to require the discharge of the keel-bodge vessels carried by our packets and transient ships as ballast. Taken in connection with the comparative firmness in the flour market, these shipments of grain will, we trust, materially benefit not only the farmer and country trader of the adjacent counties, but also those who have sent their crops to this city from a greater distance."

Lafayette Refectory,

NO. 63, WOOD STREET.

THE subscribers have fitted up the above place in superior style and they feel assured will give con fort and satisfaction to all who may visit them.

Arrangements have been made to have a constant supply of *FRESH SHELL OYSTERS*, which will be served up in a superior and tasteful manner at most notice. Other luxuries, candies, fruits and pastries of the choicest kinds always on hand. Their Bar is filled with the best brands the markets can afford; and every attention paid to visitors.
