-WRECKS-LOSS OF LIFE. WAR PREPARATIONS IN CANADA.—A letter from Montreal, dated Nov. 16, to the Rochester Democrat, all pretentions to the country bordering on the Pacific formulated through the results of our late gale been as both the pills and pretented patent are forgeries. Montreal, dated Nov. 16, to the Rochester Democrat | all pretentions to the country bordering on the l'acific | promulgated through the press than we are call got up by a miserable quark, in New York, who, for says that "the discussion of the Oregon question and Ocean, because forsooth Great Britain says, she wants led upon to record a still more dreadful one; one which the last four or five years, has made his living by counterfeiting popular madicines.

the probabilities of war between the United States and Great British, is the chief topic at present with the Canada press. The recent orders from the Home Government to extend the frontier fortifications and great as the consert that she might place the canada press. The recent orders from the Home Government to extend the frontier fortifications and even went so far as to consert that she might place the canada press. The recent orders from the Home great new ones at several points on the St. Lawrence, adds not a little interests to the matter. The project-order of improvements are on a magnificent scale, and with years to complete them."

An Ancient Connect Stone.—At Messre Strubters are smalled to fit and the last year, and the last year, and the last year, and the last year, not will alta the last year. Not will alta the new force the one should not that celebrated and most a lithe interests to the matter. The project the deliverage of points on the St. Lawrence, point occupancy of the territory with us; yet in all the reader's attention to that celebrated and most all the reader's attention to that celebrated and most of the top of the control will be last year. Not will alta the new of the last year. Not will alta the last year. Not will alta the last year. Not will alta the new of the last year. Not will alta the new of the last year. Not will alta the new of the last year. Not will alta the new of the same of wild Cher. It is the might yet on the calculation of the trail of the last year. Not will alta the new of the sa

was happily out of deb. What magic words, and what a happy people they would be could they but lay a corner stone at this late day, with such a proud in scription.

Flaw in the Indictment.—What is the reason so may flaws are discovered in indictments, and so may flaw are a flaw of the indictments. The jury understand what that means, and instead of the indictment setting forth simply that instead of the indictment setting forth simply that instead of the indictment setting forth simply that is the reason so may describe the Allegheny Cemetery.
