A CURE FOR CONSUMPTION.
SEVEN THOUSAND CASES
Of obstinate Pulmonary Complaints cured in ONE YEAR.
WISTAR'S BALSAM OF WILD CHERRY, the great American Remedy for complaints and affections of the Respiratory Organs.
We do not wish to traffic with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hopes to suffering humanity which facts will not warrant.
We ask the attention of the candid to the following considerations.
Nature in every part of her works, has left indelible marks of adaptation and design.
The constitution of the animals and vegetables of the torrid, is such that they could not endure the cold of the frigid zone, and vice versa.
In regard to disease and its cure, the adaptation is more or less striking.
The Moss of Iceland, the Wild Cherry and Pines of all Northern latitudes, (and Dr. Wistar's Balsam is a compound and chemical extract from these,) have long been celebrated for complaints prevalent only in cold climates. Indeed the most distinguished medical men have averred that nature furnishes in every country medicines for its peculiar diseases.
Consumption in its confirmed and incipient stages, Coughs, Asthma, Croup, and Liver complaint, form by far the most fatal class of diseases known to our land. Yet even these may be cured, by means of the simple yet powerful remedies, named above, and which are scattered, by a beneficient Providence, wherever those maladies prevail.
WISTAR'S BALSAM OF WILD CHERRY!
Will miracles never cease? More evidence of its surpassing health Restorative Virtues!!

From Dr. Baker, Springfield, Washington co., Ky.
SPRINGFIELD, Ky., May 14, 1845.
Messrs Sanford & Park—Gents—I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry.
In the year of 1840 I was taken with an inflammation of the bowels, which I laboured under for 6 weeks, when I gradually recovered. In the fall of 1331 I was attacked with a severe chill, which seated itself upon my lungs; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every kind of medical aid without benefit, and thus I wearied along until the winter of 1844, until I heard of "Wistar's Balsam of Wild Cherry."
My friends prevailed me to give it a trial, though I had given up all hopes of recovery and had prepared myself for the change of another world. Through their solicitations I was induced to make use of the Genuine Wistar's Balsam of Wild Cherry. The effect was truly astonishing. After five years of affliction, pain and suffering; and after having spent four or five hundred dollars to no purpose and the best and most respectable physicians had proved unavailing, I was soon restored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry.
I am now enjoying good health and such is my altered appearance that I am no longer known when I meet my former acquaintances.
I have gained rapidly in weight, and my flesh is firm and solid. I can now eat as much as any person, and my food seems to agree with me. I have eaten more during the last six months than I had eaten five years before.
Considering my case almost a miracle, I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow man (who should know where relief may be had) to make this statement public.
May the blessing of God rest upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Cherry. Yours, respectfully,
WM. H. BAKER.

☞ The following letter from Dr Ritchey, of Franklin, Ind., who stands high in his profession, and ranks among the first politicians of the state, shall speak for itself in commendation of the "Genuine Wistar's Balsam of Wild Cherry."

Franklin, Ind., April 14, 1845.
Messrs Sandford & Park—I have but a few bottles of Wistar's balsam of wild cherry remaining on hand of the last lot furnished me by you. I heretofore wanted until I had sold out and had obtained the money for one lot before I ordered another. But such is the demand for the article that I do not wish to be without it, and am therefore led to anticipate a little. The money for the last shall be forthcoming by the time the lot is disposed of, which, from the sales I have made lately, I think will be but a short time. The effects of the balsam are in many cases strikingly beneficial. ☞ It improves upon acquaintance more than any other Patent Medicine I have ever known. Almost all cases I have met upon trial, and not being able to bear the test of experience, soon sink into disuse. This, however, seems to be most highly valued by those who have tested its virtues, and experienced its healing efficacy in their own cases. Yours very respectfully, JAMES RITCHEY.

COUNTERFEITS.
☞ *Those who Counterfeit* a good medicine for the purpose of adding a few dollars to their pockets, are far worse than the manufacturers of spurious coin.
For while the later only robs us of our property, the former take property and health and life away.—Dr. WISTAR'S *Balsam of Wild Cherry* is admitted by thousands of disinterested witnesses, to have effected the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.
The young, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.
Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsam of Wild Cherry*, and refuse with scorn counterfeits, and every other article proferred to them as a substitute, so long will *cures—positive cures*—cheer the fireside of a despairing family.
☞ The true and genuine "Wistar's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.
Sold in Cincinnati, on the corner of Fourth and Walnut street, by SANDFORD & PARK.
Gen'l Agents for the Western States.
Also, sold wholesale and retail, by L. Wilcax and B A Fahnestock, Pittsburgh, Pa. and by appointed agents in every important Borough in Western Pennsylvania. oct 14-1y.

Phœnix Safes and Vaults.
THE undersigned invite attention to the following certificate:
CERTIFICATE.
The undersigned having been requested by Messrs. Constable & Strickler, to be present and superintend a test, by fire, of one of their recently invented Phœnix Fire Proof safes, and deeming the subject one of very great public importance, have carefully scrutinized the progress of a test, to which one of said chests was subjected. The chest was supported at each corner, at an elevation of 10 to 12 inches from the ground a fire of Bituminous coal and fire was made over and around and kept actively burning 54 consecutive hours. The fuel consumed was about 80 bushels of coal, and one cord of wood; the heat all the while being quite intense, and in the opinion of the undersigned much greater than a safe is likely to sustain in any ordinary house burning.
On the removal of the fire, at their request the chest was opened, and greatly to the astonishment of the undersigned and the large number of citizens present, a Blank Book with Sundry Bank notes within its folds; a piece of Dry pine Wood and the inner lining of the safe, which is of Wood, were found warm indeed, but not in the Slightest degree charred or injured, some manuscript on the Book as legible as before the test. The undersigned are unanimous in the conviction that a fire proof chest is practicable; and that the ingenious and enterprising manufacturers, whose efforts for some months past in producing this desideratum have proved so entirely successful, deserve the public confidence and patronage.

We make Vault Doors in the same manner and upon the same plan. One of these can be seen at Reese C. Townsend & Co's new building.

And special notice is hereby given, that, agreeably to the provisions of an act of Congress, approved March 3d, 1845, those proposals (being acceptable in other respects) will be preferred which shall engage to carry the mail in a steam ship or ships, and shall stipulate to deliver said ship or ships to the United States, or to their proper officer, on demand made for the purpose of being converted into a vessel or vessels of war; the United States being bound on their part to pay the fair full value thereof at the time of delivery, to be ascertained by four appraisers—appointed, two by the President of the United States, and two, by the owner or owners, with an umpire in case of disagreement, to be appointed by the President of the United States.

PROPOSALS to carry the mails of the United States, from the 1st of March, 1846, to the 20th of February, 1850, with right to the department to extend to the 30th of June, 1850, from *New Orleans, in Louisiana, to Galveston, in Texas*, 450 miles and back, will be received at the Contract Office of the Post Office Department, until the 25th day of January, 1846, to be decided by the 31st day of said January.
Leave New Orleans every Saturday at 10 a. m., or *arrive* at Galveston every Monday by 10 a. m.
Leave Galveston every Tuesday at 10 a. m., arrive at New Orleans every Thursday by 10 a. m.
The proposals should specify the mode of conveyance, whether by steam-ship or sailing packet, and set forth the size, rate, and description of the vessel, with sufficient particularity to enable the decision to be made, on the advice of the proper officers of the naval service, whether the same is or is not convertible into a ship-of-war. And special notice is hereby given, that, agreeably to the provisions of an act of Congress, approved March 3d, 1845, those proposals (being acceptable in other respects) will be preferred which shall engage to carry the mail in a steam ship or ships, and shall stipulate to deliver said ship or ships to the United States, or to their proper officer, on demand made for the purpose of being converted into a vessel or vessels of war; the United States being bound on their part to pay the fair full value thereof at the time of delivery, to be ascertained by four appraisers—appointed, two by the President of the United States, and two, by the owner or owners, with an umpire in case of disagreement, to be appointed by the President of the United States.
The bidder may propose a different schedule of days and hours than the one above specified. He may ask for an annual sum of compensation; or in lieu thereof, a certain proportion of the postages accruing on the mail-matter conveyed over the route, and he may offer to carry the mail more frequently than once a week.
Articles of contract are to be executed by the accepted bidder and by his sureties, by or before the 1st day of March next. The contract is to provide among other things, that the pay of the trip is to be forfeited when the trip is not performed, and a due proportion when a grade of service is rendered inferior to that specified in the contract; and that fines maybe imposed, unless the delinquency be satisfactorily explained to the department, for failing to leave or arrive in time.
