INDEMNITY AGAINST LOSS OR DAMAGE BY FIRE.

THE MUTUAL PRINCIPLE COMBINED
With the additional security of a STOCK CAPITAL.

The Reliance Mutual Insurance Co. of Phila.—Charter Perpetual.

DIRECTORS:

George W. Toland,	John M Atwood,
Thomas C. Rockhill,	Lewis R. Ashhurst,
Wm. R. Thompson,	George N. Baker,
George M. Stroud,	John J. Vanderkemp,
George W. Carpenter.	

WILL make insurance against Loss or Damage by Fire, in Pittsburgh and vicinity, on Houses, Stores and other buildings, and on Furniture, Goods, Wares and Merchandize, limited or perpetual, in town or country, on the most favorable term .

The Mutual Principle, combined with a Stock Capital, and the other provisions of the Charter of this Company, hold out unusual inducements, both of profit and safety, to those desirous of effecting insurance, to which the Company ask the attention and examination of those interested.

The Capital Stock of the Company is invested in good and sufficient securities. After providing for the losses accruing to the Company, in the course of its business, the stockholders are entitled to receive out of its income and profits an interest not exceeding six per cent. per annum on the Capital Stock actually paid in—the amount of which interest as is required will be supplied by funds invested—and therefore, all the remaining profits are to accumulate and be held, in like manner with the Capital Stock, for the better security of the assured. But certificates begin at interest, payable annually, transferable on the books of the Company, and convertible at any time into Capital Stock, will be issued therefor to the Stockholders and insured members, in proportion to the amount of Stock held, or premium paid by them respectively, agreeably to the provisions of the Charter.

Those effecting insurance with this company have, besides the usual protection against loss, by the ordinary method of insurance, the additional advantage of a direct participation in the profits of the Company, without any liability.

GEO. W. TOLAND, President.
B. M. HISCHMAN, Secretary.

The subscriber, who is the duly authorised Agent for the above named Company, is prepared to make insurance, at the Office of the Agency, No. 2, St Charles Hotel, on Third street, a few doors above Wood street, and will give all further information desired.

The following are among the advantages held out by this institution, which will be found most advantageous to the assured, and which are seldom offered by Life Insurance Companies, viz:

The premiums advanced to the assured by the principle of the Loan Department, thus blending the security of a *Savings Bank* with life insurance.

A large sum to be permanently invested in the United States in the names of those of the Local Directors, as Treasurers, available always to the assured in the guarantee fund.

The payment of premiums annually, half yearly, quarterly or monthly.

No charge for stamps duty.

Thirty days allowed after each payment of premium becomes due, without forfeiture of policy.

Travelling leave extensive and liberal, and extra premiums on the most moderate scale.

Conditions in the policy less onerous to the assured than is usual in offices of assurance. (See pamphlet.)

The annual and declared profits (published in accompanying Reports) affording sure data for calculating on the value of the "bonus" in this institution. These profits will at each division be ready to be drawn if desired.

Being connected with Mariner & Fox's insurance, the rates for life with profits are lower than those of any other foreign company effecting Life Insurance in New York.

The public are respectfully requested to examine the principles on which this institution is established, the rates of premium, the division of profits, and the facilities afforded by their loan department, before deciding to insure elsewhere.

J LEANDER STARR,
General Agent.
