DISEASE OF THE LIVER.

DEAR Stat-Agreeable to your desire, I write to keep you apprized of the prospects of the Clickener Sugar Coated Purgative Pill, in this city. You may recollect, when I first commenced selling your medicine, which was in May, 18,4, we little dreamed c the success that would crown the undertaking. Our premises had been so completely flooded by the one thousand and one unsaleable remedy for every possible complaint under the sun, that I actiously contem-placed having nothing more to do with any thing of the kind. However, at the most urgent solicitation, we onsented to make a trial of yours. At first we found the last 15 years or more, that they determined, if possible, neverte be "taken in" again; and the consequence was, they could hardly be persuaded to accept of the l'ills, as the saying is, for "love nor mortey."

This matters proceeded for a week or two, when, as "good luck would have it. "Mrs. New an affection of the state who had long of freed from an affection of our city, who had long suffered from an affection of the Liver, accompanied by indigestion of the most ob-stinate character, was persuaded to accept of a box, on condition that nothing was to be paid for it, if they did not afford her the necessary relief. I must confess, we ourselves had very little faith in the matter, knowing as we did, that her complaint was one of long INO. 46. MARKET STREET,

"I really think, Mr. Williams," anys she, "that your Pills are beginning to work a great change in my health, and altogether for the better. When I took the second dose, I began to feel much better than I did at first: the pain in my side was considerably relieved; my appetite began to improve; and the blood seemed to circulate through my wins as it did in my youthful days.
