Bingham's Transportation Line,

BETWEEN PITTSBURGH AND THE EASTERN CITIES.

PROPRIETORS.

Wm. Bingham, Jacob Dock,
Thos. Bingham, Wm. A. Stratton.

Conducted on Sabbath-keeping principles.

THE Proprietors of the old established Line have thoroughly recruited and renewed their stock and are well prepared to forward Produce and Merchandise on the opening of navigation.

The long experience of the Proprietors in the carrying business, with their watchful attention to the interests of customers, induces them to hope that the patronage heretofore extended to "Bingham's Line" will be continued and increased.

Owning the most self-glorifying style of advertising too absurd for imitation, and believing that with former customers we need no self-commendation, we would merely invite such as have not heretofore patronised our Line, to give us a trial.

Our rates of freight shall at all times be as low as the lowest that are charged by other responsible Lines.

Produce and Merchandise will be received and forwarded without any charge for advertising, Storage or Commission. Bills of lading promptly here added, and every direction carefully attended to.

He is also prepared to manufacture Clothing of all kinds to order, after the most approved Eastern and Paris fashions, (which he receives monthly) at the shortest notice, and on the most reasonable terms. The subscriber would say, that though he never has cracked a leg on a lap board, he can get up a better fitting, and a better made garment, than some of those who after spending the greater part of their lives cross legged, are so ignorant of the fitting department as to be obliged, when they want a coat for themselves, to call in a crook to cut it for them, for want of *ability* to do it themselves. He would caution the public against being humbugged by those who talk so largely about competition since those who never noticed them, until within a few days his attention was directed to an advertisement in one of the papers, written by some conceited *person* whose appearance might be supposed by using some of the *soap* he talks so much about.

The subscriber has made an arrangement in New York by which he will receive, in the course of a few weeks, a large supply of Shirts, at prices varying from 50 cents to $1.00. Country merchants and others wishing to purchase by the case or dozen, will have their orders, if accompanied by the *cash*, attended to with promptness and despatch.
