Bingham's Transportation Line,
BETWEEN PITTSBURGH AND THE EASTERN CITIES.

PROPRIETORS.

Wm. Bingham,	Jacob Dorr,
Thos. Bingham,	Wm. A. Stratton.

Continuing Uninterrupted Business.

THE Proprietors of the old established Line have recently refitted and renewed their stock, and are well prepared to forward Produce and Merchandize on the opening of navigation.

The long experience of the Proprietors, in the carrying business, with their unremitted attention to the interests of customers, induces them to hope that the favors so liberally extended to "Bingham's Line" will be continued and increased.

Possessing the most elegant style of advertising cars, and the celebrity of their Line for speed, safety, and accommodation, we hope to merit a continuance of public patronage. Those not heretofore favored with our business, are solicited to give us a trial.

Our cars will leave at all times by or less as circumstances will require. Persons wishing to go to the Eastern Cities can take the Cumberland Railroad, thus saving all detention or expense of transhipping at Philadelphia or Pittsburgh.

The Line leaving Pittsburgh on this route, forming a direct connection with the Eastern cars, are enabled to offer unusual facilities in order to meet the views of those desirous of expediting their goods. Our agents are respectfully requested to call on us when in Pittsburgh, and we hope to merit their confidence. Our Line will be found to be the most reliable. Produce consigned to us for sale, or for forwarding, will receive prompt attention. All other business entrusted to us will be faithfully executed.

Goods consigned to either of our Agents at Pittsburgh will be forwarded promptly, and all reasonable charges paid.

LIGHT IS COME!

New Sperm, Lard and Pine Oil Lamp Store

THE subscribers having opened a store, No 3, St Clair street, (west side) for the sale of Lamps Oils, &c., respectfully invite the attention of the inhabitants of Pittsburgh, Allegheny and the surrounding country generally, to their stock of Lamps, before purchasing elsewhere. Our arrangements with the manufactories are such that we can safely say, we are prepared to light *in the most brilliant and economical manner, Steamboats, Hotels, Public Halls, Churches, Stores, Shops, Parlors, Bridges and Streets,* as well as the more rude and benighted corners, or any place where brilliancy, neatness and strict economy is desired. Among our means for letting our "*light shine*," may be found the following Lamps for burning Lard, Lard Oil and Sperm Oil, viz:

Hanging Lamps and Chandeliers, (2 to 1 branch) For lighting Stores, Public Halls, Churches, Hotels and steamboats.

Stand and Centre Table Lamps, (various patterns and prices,) for Parlors.

Reading and Work Lamps.

Side and Wall Lamps, Glass and Tin Hatel Lamps &c &c.

The above are mostly Dyott's Patent Lamps, with double shelled fountain, and otherwise an improvement upon any lamp now in use, which can be perceived at once by examination. Also, glass Trimmings for lamps, such as Globes, Chimneys, Wicks, &c.

LAST, THOUGH NOT LEAST.

Dyott's Patent Pine Oil Lamps, such as Hanging lamps and Chandeliers, (2 to 6 branch.)

Stand and Centre Table Lamps, (Glass Fronts with or without drops,) Street lamps for lighting streets and bridges.

As we cannot describe the various patterns, we cordially invite the public to examine them. We affirm that in brilliancy, cleanliness and economy, no light now in use will bear comparison with these lamps and Pine Oil. They are as safe to use as sperm or Lard Oil. Although some are endeavoring to identify this article with the old camphine and spirit gas, (by the use of which accidents have occurred,) we assert this to be another and different article, and that no accidents have occurred during the extensive use of this article in Philadelphia for four years.

These Lamps will produce as much light, with as much neatness and more brilliancy, and 25 per cent. less than any other light now in use, not excepting Gas.

If any one doubts statements we have, or may hereafter make, we would say, we have commenced our business in Pittsburgh, and knowing the merits of the articles we offer to the public, we are willing to hold ourselves accountable at all times for our statements, and are willing to put to test our Lamps and Oil, and will give all further information desired.
