A CURE FOR CONSUMPTION.
SEVEN THOUSAND CASES
Of obstinate Pulmonary Complaints cured in ONE YEAR.
WISTAR'S BALSAM OF WILD CHERRY, the great American Remedy for complaints and affections of the Respiratory Organs.
We do not wish to traffic with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hopes to suffering humanity which facts will not warrant.
We ask the attention of the candid to the following considerations.
Nature in every part of her works, has left indelible marks of adaptation and design.
The constitution of the animals and vegetables of the torrid, is such that they could not endure the cold of the frigid zone, and vice versa.
In regard to disease and its cure, the adaptation is more or less striking.
The Moss of Iceland, the Wild Cherry and Pines of all Northern latitudes, (and Dr. Wistar's Balsam is a compound and chemical extract from these,) have long been celebrated for complaints prevalent only in cold climates. Indeed the most distinguished medical men have averred that nature furnishes in every country medicines for its peculiar diseases.
Consumption in its confirmed and incipient stages, Coughs, Asthma, Croup, and Liver complaint, form by far the most fatal class of diseases known to our land. Yet even these may be cured, by means of the simple yet powerful remedies, named above, and which are scattered, by a beneficient Providence, wherever those maladies prevail.
WISTAR'S BALSAM OF WILD CHERRY!
Will miracles never cease? More evidence of its surpassing health Restorative Virtues!!

From Dr. Baker, Springfield, Washington co., Ky.
SPRINGFIELD, Ky., May 11, 1845.
Messrs Sanford & Park—Gents—I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry.
In the year of 1840 I was taken with an inflammation of the bowels which I labored under for 6 weeks, when I gradually recovered. In the fall of 1841 I was attacked with a severe chill, which seated itself upon my lungs; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every kind of medical advice I could get, and thus I continued along until the winter of 1844, when I heard of Wistar's Balsam of Wild Cherry."
My friends persuaded me to give it a trial, though I had given up all hope of recovery, and had prepared myself for the change of mortality well. I procured three bottles and commenced taking it. Before I had gone through the second bottle I was inclined to make use of the Genuine Wistar's Balsam of Wild Cherry. The effect was truly astonishing. After five years of suffering, pain and sorrow, and after having spent from one to two hundred dollars to no purpose, and the opinion of respectable physicians had pronounced me incurable, I was restored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry.
I am now in the enjoyment of health and strength, and am desirous that I am not to be kept known, which I never have or never can.
I have gained rapidly in weight, and my flesh is firm and solid. I can recommend this very powerful and efficacious remedy to all those who are afflicted with Coughs, Consumption, or any disease of the throat or lungs.
Considering my case almost a miracle, I deem it necessary for the good of the afflicted, and a duty I owe my fellow creatures and my fellow men, to make known where and of whom I got the remedy which gave me my health.
May the blessing of God rest upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Cherry. Yours, respectfully
WM. H. BAKER

☞ The following letter from Dr. Rockey, of Frankfort, Ind., who stands high in his profession, and ranks among the first politicians of the state, shall speak for itself—corroborative of the Genuine Wistar's Balsam of Wild Cherry.

FRANKFORT, Ind., April 14, 1845.
Messrs. Sanford & Park—I have but a few bottles of Wistar's balsam of wild cherry remaining on hand, but the one I purchased from you I believe was the best ever purchased in this county. I believe you would find it sold out and had others on hand, if you had ordered them. But I have declined ordering, as the demand for the article that I do not like to be in, and as there are so many spurious articles in the market, and there seems to be no remedy for the evil, but for the public to ascertain for themselves which is the genuine article. I have no fear for the last shall be forthcoming, by the time the first is disposed of, which from the sales I have made, I think will be but a short time. The effects of the balsam are in many cases astonishing. I therefore, ☞ in response upon solicitation as above, have given Parents Medicine I have ever known. I remain one of the best of your friends and well wishers.
Yours, respectfully, JAMES RITCHEY.

COUNTERFEITS.
☞ *Those who Counterfeit* a good medicine for the purpose of adding a few dollars to their pockets are constantly adding to the manufacturers of spurious compounds, and to the public only cheating them out of their money.
For while the latter only robs you of your property, the former take your property and health and life also.
Dr. WISTAR'S *Balsam of Wild Cherry* is advertised by thousands of unsolicited witnesses, to have effected the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.
The young, and beautiful, the gold, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.
Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsam of Wild Cherry*, and refuse with scorn counterfeits, and every other article pedlered to them as a substitute, so long will *every spurious cure*—cheer the fireside of a departing family.
☞ The true and genuine "Wister's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.
Sold in Cincinnati, on the corner of Fourth and Walnut street, by SANDFORD & PARK.
Gen'l Agents for the Western States.
Also, sold wholesale and retail, by L. Wilcox and B. A. Fahnestock, Pittsburgh, Pa. and by appointed agents in every important Borough in Western Pennsylvania. oct 14-1y

Phœnix Safes and Vaults.
THE undersigned invite attention to the following certificate:
CERTIFICATE.
The undersigned having been requested by Messrs. Constable & Strickler, to be present and superintend a test, by fire, of one of their recently invented Phœnix Fire Proof safes, and deeming the subject one of very great public importance, have carefully scrutinized the progress of a test, to which one of said chests was subjected. The chest was supported at each corner, at an elevation of 10 to 12 inches from the ground; a fire of Bituminous coal and fire wood was made over and around and kept actively burning 5½ consecutive hours. The fuel consumed was about 80 bushels of coal, and one cord of wood; the heat all the while being quite intense, and in the opinion of the undersigned much greater than a safe is likely to sustain in any ordinary house burning.
On the removal of the fire, at their request the chest was opened, and greatly to the astonishment of the undersigned and the large number of citizens present, a Blank Book with Sundry Bank notes within it, folded; a piece of Dry pine Wood and the inner lining of the safe, which is of Wood, were found warm indeed, but not in the Slightest degree charred or injured, some manuscript on the Book as legible as before the test. The undersigned are unanimous in the conviction that a fire proof chest is practicable; and that the ingenious and enterprising manufacturers, whose efforts for some months past in producing this desideratum have proved so entirely successful, deserve the public confidence and patronage.

We would assure those interested, that there is no wood about these Safes, but what is necessarily connected with the shelves and drawers. We make Vault Doors in the same manner and upon the same plan. One of these can be seen at Reese C. Townsend & Co's new building.
For the workmanship of our Vaults they can be seen at the following places: Lyon, Shiech & Co., Church & Carothers, Wm Lorimer, King & Holmes, J. D. Davis, P. M'Cormick, and W. Mervin.

EXTENSION OF PITTSBURGH.
Rare Chance for good Investments!
THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, *One hundred and ten building Lots*, on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from the city line, and are situated in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No property in the suburbs possesses superior advantages, nor has any heretofore been laid out with so liberal an allowance of wide streets. Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and five are Commerce, Brady, Columbia and Water streets all wide avenues. Most of the lots have *two fronts*, and in this new or various square, and will be sold cheaper, with the privilege of two or five yearly payments, to be accommodated to suit the purchaser's own convenience. Persons who desire to build or to make some improvements in property that is sure to increase in value, and yet embarrassed to those who intend to build, or make improvements, would do well to view these Lots, and examine the draft before purchasing elsewhere. The survey for the Baltimore and Ohio Rail Road and the railroad survey by the State of Pennsylvania were both made a middle of this property, and the depot for the Baltimore and Ohio Rail Road, or the ground immediately alongside of it, affords the only eligible route for a Rail Road from Pittsburgh to the East. Coal can be delivered on this property at a much less cost than on the Allegheny river, and there is always deep water at this part of the river.
