A CURE FOR CONSUMPTION.
SEVEN THOUSAND CASES
Of obstinate Pulmonary Complaints cured in ONE YEAR.
WISTAR'S BALSAM OF WILD CHERRY, the great American Remedy for complaints and affections of the Respiratory Organs.

We do not wish to traffic with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hopes to suffering humanity which facts will not warrant.

We ask the attention of the candid to the following considerations.

Nature in every part of its works, has left indelible marks of adaptation and design.

The constitution of the animals and vegetables of the torrid, is such that they could not endure the cold of the frigid zone, and vice versa.

In regard to disease and its cure, the adaptation is more or less striking.

The Moss of Iceland, the Wild Cherry and Pines of all Southern latitudes, (and Dr. Wistar's Balsam is a compound and chemical extract from these,) have long been celebrated for complaints prevalent only in cold climates. Indeed the most distinguished medical men have asserted that nature furnishes in every country medicines for its peculiar diseases.

Consumption in its confirmed and incipient stages, Coughs, Asthma, Croup, and Liver complaint, form by far the most fatal class of diseases known to our land. Yet even these may be cured, by means of the simple yet powerful remedies, named above, and which are scattered, by a beneficient Providence, wherever those maladies prevail.

WISTAR'S BALSAM OF WILD CHERRY!
Will miracles never cease? More evidence of its surpassing health Restorative Virtues!!

From Dr. Baker, Springfield, Washington co., Ky.

SPRINGFIELD, Ky., May 11, 1845.

Messrs Sandford & Park—Gentlemen: I take opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry.

In the year of 1840 I was taken with an infl mmation of the bowels which I labored under for 6 weeks when I gradually recovered. In the fall of 1841 I was attacked with a severe chill, which seated itself upon my lungs; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every kind of medical aid without relief, and then I despaired of ever recovering until the winter of 1844, until I heard of Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a trial, though I had given up all hopes of recovery and had prepared myself for the change of mortality. I bought one bottle, and before I had used it I found myself relieved. Genuine Wistar's Balsam of Wild Cherry. The effect was truly astonishing. After two years of affliction, pain and suffering; and after having spent four or five hundred dollars to no purpose and the best medical skill of the country having failed in curing me, I was soon restored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry.

I am now enjoying good health and society my attested appearance that I am no longer known when I meet my former acquaintances.

I have gained rapidly in weight, and my flesh is firm and solid. I can now eat as much as any person, and my food seems to agree with me. I have eaten more during the last six months than I had eaten five years before.

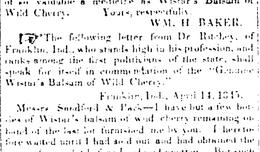
Considering my case almost a miracle, I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow men (who should know where relief may be had) to make this statement public.

May the blessing of God rest upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Cherry. Yours, respectfully,
WM. H. BAKER.

☞ The following letter from Dr. Bachey, of Louisville, Ind., who stands high in his profession, and ranks among the first politicians of the state, shall speak for itself in commendation of the "Genuine Wistar's Balsam of Wild Cherry."

Frankfort, Ind., April 14, 1845.

Messrs Sandford & Parker—I have but a few bottles of Wistar's balsam of wild cherry remaining on hand of the last lot furnished me by you. I have since wanted some I had used out and had obtained the money for one last before I ordered another. But such is the demand for the article that I do not wish to be without it, and am determined to monopolize it here. The money for the last shall be forthcoming by the time the last is disposed of, which, from the sales I have made lately, I think will be but a short time. The effects of the balsam are in many cases strikingly beneficial. ☞ It removes upon acquaintance more than any other Patent Medicine I have ever known. Almost all others end upon trial and not being able to bear the test of experience, soon sink into disuse. This, however, seems to be most highly valued by those who have tested its virtues, and experienced its healing efficacy in their own cases. Yours very respectfully, JAMES RITCHEY.



COUNTERFEITS.

☞ *Those who Counterfeit* a good medicine for the purpose of selling a few dollars to their pockets, are far worse than the manufacturers of spurious coin.

For while the latter only robs us of our property the former takes away our health and life also.—Dr. WISTAR'S *Balsam of Wild Cherry* is submitted by thousands of their deceived sufferers, to have effected the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.

The young, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.

Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsam of Wild Cherry*, and refuse with scorn counterfeits, and every other article preferred to them as a substitute, so long will *cures—positive cures*—cheer the fireside of a despairing family.

☞ The true and genuine "Wistar's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.

Sold in Cincinnati, on the corner of Fourth and Walnut street, by SANDFORD & PARK.
Gen'l Agents for the Western States.

Also, sold wholesale and retail, by L. Wilcox and B A Fahnestock, Pittsburgh, Pa. and by appointed agents in every important Borough in Western Pennsylvania. oct 14-1y.

Phœnix Safes and Vaults.
THE undersigned invite attention to the following certificate:

CERTIFICATE.

The undersigned having been requested by Messrs. Constable & Strickler, to be present and superintend a test, by fire, of one of their recently invented Phœnix Fire Proof safes, and deeming the subject one of very great public importance, have carefully scrutinized the progress of a test, to which one of said chests was subjected. The chest was supported at each corner, at an elevation of 10 to 12 inches from the ground a fire of Bituminous coal and fire was made over and around and kept actively burning 5½ consecutive hours. The fuel consumed was about 80 bushels of coal, and one cord of wood; the heat all the while being quite intense, and in the opinion of the undersigned much greater than a safe is likely to sustain in any ordinary house burning.

On the removal of the fire, at their request the chest was opened, and greatly to the astonishment of the undersigned and the large number of citizens present, a Brick Book with Sunday Bank notes within it, fold in a piece of Dry pine Wood and the inner lining of the safe, which is of Wood, were found warm indeed, but not in the slightest degree charred or injured, some manuscript on the Book as legible as before the test. The undersigned are unanimous in the conviction that a fire proof chest is practicable and that the ingenious and enterprising manufacturers, whose efforts for some months past to producing this desideratum have proved so entirely successful, deserve the public confidence and patronage.

We make Vault Doors in the same manner and upon the same plan. One of these can be seen at Reese C. Townsend & Co's new building.

EXTENSION OF PITTSBURGH.
Rare Chance for good Investments!
THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, *One Hundred and Ten building Lots*, on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from the city line, and are situate in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No property in the suburbs possesses superior advantages, nor has any heretofore been laid out with so liberal an allowance of wide streets; Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and Bowles, Carnahan, Bull, Coltman and Water streets are of wide dimensions. Most of the lots are *two fronts*, and as they are of various sizes, and will be sold, one at a time, with the privilege of five or five equal payments, can be accommodated to suit their own convenience, and persons wishing to build, or to make secure investments in property that is sure to increase in value, and particularly those who intend to erect manufactories, would do well to view these lots and examine the draft of the premises and plan of the same. The streets for the Pittsburgh and Steubenville Rail Road and the rail road survey by the State of Pennsylvania were both made alongside of this property, and it is generally considered that Braddock street, on the ground immediately alongside of it, affords the only eligible route for a Rail Road from Pittsburgh to the East. Coal can be delivered on this property at a much less cost than on the *Allegheny* river, and there is always deep water at this part of the river.

JOHN IRONS, PROPRIETOR.
THIS establishment has been taken by the subscriber, who respectfully begs leave to inform his friends, and the public generally that it has been refitted and furnished in a style not surpassed by any house in this place, and, at least equal to any in the West.

Washington Hall is located in the business part of the town, on Market street, nearly opposite the Court House and public buildings, and within a few steps of the Market. The situation is the most elevated of any public house in Town, commanding a view of the River for several miles above and below.

Every accommodation which the public have a right to expect may now be had at the Hall, on terms as reasonable as offered by any other good house in Steubenville.
