Bingham's Transportation Line,
BETWEEN PITTSBURGH AND THE EASTERN CITIES.

PROPRIETORS.

Wm. Bingham, Jacob Dorn,
Jos. Bingham, Wm A. Stratton.

Conducted on Strictly Business principles.

THE Proprietors of the old established Line have thoroughly recruited and renewed their stock, and are well prepared to forward Produce and Merchandize on the opening of navigation.

The long experience of the Proprietors, in the carrying business, with their watchful attention to the interests of customers, induces them to hope that the patronage heretofore extended to "Bingham's Line" will be continued and increased.

Deeming the usual self-eulogizing style of advertising too absurd for imitation, and believing that with former experience we need no self-commendation, we would merely state, that as have not heretofore patronized our Line, to give us a trial.

Our rates of freight shall at all times be as low as the lowest that are charged by other responsible Lines

Produce and Merchandize will be received and forwarded without any charge for advertising, Storage or Commission. Bills of lading promptly forwarded, and every direction carefully attended to.

THE subscriber having just returned from the Eastern cities would invite the attention of the public to the large and varied assortment of fashionable goods now opening, and ready for inspection at his establishment. His stock consists in the most fashionable styles and colors.

Broad, Beaver, Pilot and Tweed Wool Dyed Cloths, Plain, Striped, Barred and Fancy Pantsen and Domestic Cassimeres;

CLOTHS AND CASSIMERES FINISHED, EXTRA SUPERFINE SATTINETS, ALL COLORS.

Plain and Fancy Sattinetts, all Colors and Qualities;

These together with a large variety of Socks, Cravats, Scarfs, Pocket Handkerchiefs, Suspenders, Shirts, Bosoms, Collars, and every other article appertaining to Gentlemen's wear. The undersigned is prepared to sell at a reduction of over ten per cent. under the year's prices. He is also prepared to manufacture Clothing of all kinds to order, after the most approved Eastern and Paris fashions, (which he receives monthly) at the shortest notice, and on the most reasonable terms. The subscriber would say, that though he never has stocked a log on *shop-board*, he can get up a better fitting, and a better made garment, than some of those who, after spending the greater part of their lives cross legged, are so ignorant of the fitting department as to be obliged, when they want a coat for themselves, to call in a *crook* to cut it for them, for want of *ability* to do it themselves. He would caution the public against being humbugged by those who talk so largely about competition from those who never noticed them, until within a few days his attention was directed to an advertisement in one of the papers, written by some conceited *person* whose appearance might be opposed by *using* some of the *soap* he talks so much about.

The subscriber has made an arrangement in New York by which he will receive, in the course of a few weeks, a large supply of Shirts, at prices varying from 50 cents to $3,00. Country merchants and others wishing to purchase by the case or dozen, will have them orders, if accompanied by the *cash*, attended to with promptness and despatch. Thankful for the very liberal patronage extended me during the short time I have been in business, I am determined to sell new and good clothing at such prices as will render it to the advantage of purchasers to call at the NATIONAL CLOTHING STORE before going elsewhere.

☞ 25 or 30 good hands will receive good wages and constant employment, by calling soon at the National Clothing Store. None need apply but those who can come well recommended as being able to do the best work.

LIGHT IS COME!

New Sperm, Lard and Pine Oil Lamp Store

THE subscribers having opened a store, No 8, St Clair street, (west side) for the sale of Lamps Oils, &c., respectfully invite the attention of the inhabitants of Pittsburgh, Allegheny and the surrounding country generally, to their stock of Lamps, before purchasing elsewhere. Our arrangements with the manufactors are such, that we can safely say, we are prepared to light it *in the most brilliant and economical manner, Steamboats, Hotels, Public Halls, Churches, Stores, Shops, Parlors, Bridges and Streets,* as well as the more "dark and benighted corners, or any place where brilliancy, neatness and strict economy is desired. Among our means for letting our *"light shine,"* may be found the following Lamps for burning Lard, Lard Oil and Sperm Oil, viz:

Hanging Lamps and Chandeliers, (2 to 4 branch) For lighting Stores, Public Halls, Churches, Hotels and steamboats.

Stand and Center Table Lamps, (various patterns and prices,) for Parlors.

Reading and Work Lamps.

Side and Wall Lamps, Glass and Tin Hand Lamps &c &c.

The above are mostly Dyott's Patent Lamps, with double shelled fountain, and otherwise an improvement upon any lamp now in use, which can be perceived at once by examination. Also, Glass Trimmings for lamps, such as Globes, Chimneys, Wicks, &c.

LAST, THOUGH NOT LEAST.

Dyott's Patent Pine Oil Lamps, such as Hanging lamps and Chandeliers, (2 to 6 branch)

Stand and Center Table Lamps, (Glass Frame with or without drops,) Street lamps for lighting streets and bridges.

As we cannot describe the various patterns, we cordially invite the public to examine them. We affirm that in brilliancy, cleanliness and economy, no light now in use will bear comparison with these lamps and Pine Oil. They are as safe to use as sperm or Lard Oil. Although some are endeavoring to identify this article with the old camphine and spirit gas, (by the use of which accidents have occurred,) we assert this to be another and different article, and that no accidents have occurred during the extensive use of this article in Philadelphia for four years.

These Lamps will produce as much light, with as much neatness and more brilliancy, and 25 per cent. less than any other light now in use, not excepting Gas.

If any one doubts statements we have, or may hereafter make, we would say, we have commenced our business in Pittsburgh, and knowing the merits of the articles we offer to the public, we are willing to hold ourselves responsible at all times for our statements, and are willing to put to test our Lamps—dollars and cents,—insuring economy—and the public decided on the neatness and brilliancy of the light.

We have many testimonials from residents of Philadelphia and elsewhere, but the following may suffice for the present.

This is to certify that I have purchased of M. B. Dyott a sufficient number of his Patent Pine Oil Lamps to light the Universalist Church of Philadelphia, and have used them in said Church about two years. We have found them to give perfect satisfaction. The light produced by them is the most brilliant that I have ever seen. They are so economical that the cost of the Lamps has been saved several times over, the burning up of the Church not costing half as much as it did before we procured them. JOHN DESSALET,

Secretary of the above named Church

Philadelphia, July 8, 1845.

The undersigned having used for two years Dyott's Patent Pine Oil Lamps in his Hotel, the Bolivar House, can recommend them as the most economical and brilliant light that can be produced by any article now in use. Before I commenced lighting my establishment with Pine Oil I was using the Gas; but after a trial of the above Lamps, I was so much pleased with the light, and convinced of their economy, that I had the Gas removed and have the Pine Oil in its place. WM. CARLILE,

Proprietor of Bolivar House,
No 203 Chesnut st.

Philadelphia, July 8, 1845.

ALLEGHENY CITY, July 12, 1845.

This may certify that we, the undersigned, having used for some months, Dyott's Patent Pine Oil Lamps, can with the fullest confidence recommend them, as producing the most brilliant and economical light we have ever seen. They are simple in their structure and easily taken care of, and we believe them as safe a light as can be produced from any other Lamp, and much cheaper than any other kind of Oil.

WILL make insurance against Loss or Damage by Fire, in Pittsburgh and vicinity, on Houses, Stores and other buildings, and on Furniture, Goods, Wares and Merchandize, limited or perpetual, in town or country, on the most favorable term.

The Mutual Principle, combined with a Stock Capital, and the other provisions of the Charter of this Company, hold out mutual inducements, both of profit and safety, to those desirous of effecting insurance, to which the Company ask the attention and examination of those interested.

The Capital Stock of the Company is invested in good and sufficient securities. After providing for the losses occuring to the Company, in the course of its business, the stockholders are entitled to receive out of its income and profits an interest not exceeding six per cent. per annum on the Capital Stock actually paid in—the amount of which interest, it is expected, will be supplied by funds invested—and the earlier, all the remaining profits are to accumulate and be held, in like manner with the Capital Stock, for the better security of the assured. But certificates begining interest, payable annually, transferable on the books of the Company, and convertible at any time into Capital Stock, will be issued therefor to the Stockholders and insured members, in proportion to the amount of Stock held, or premium paid by them respectively, agreeably to the provisions of the Charter.

Those effecting insurance with this company have, besides the usual protection against loss, by the ordinary method of insurance, the additional advantage of a direct participation in the profits of the Company, without any liability.

B. M. HINCHMAN, Secretary.
