Bingham's Transportation Line,

BETWEEN PITTSBURGH AND THE EASTERN CITIES.

PROPRIETORS.

Wm. BINGHAM,	Jason DEZ,
Thos. BINGHAM	Wm A. STRATTON.

Conducted on Sabbath-keeping principles.

THE Proprietors of the well established Line have thoroughly repaired and renewed their stock, and are well prepared to forward Produce and Merchandise on the opening of navigation.

The long experience of the Proprietors in the carrying business, with their unremitted attention to the interests of customers, induces them to hope that the patronage heretofore extended to "Bingham's Line" will be continued and increased.

Deeming the usual extravagant style of advertising too absurd for imitation, and believing that with former customers no other recommendation is necessary, we would merely state that we have not heretofore patronised our Line, to give more.

Our rates of freight shall at all times be as low as the lowest that are charged by other responsible Lines.

Produce and Merchandise will be received and forwarded without any charge for advertising, Storage or Commission. Bills of lading promptly forwarded, and every attention carefully attended to.

NEW GOODS! NEW GOODS

FRESH ARRIVAL AT THE

NATIONAL CLOTHING STORE,

No. 130 Liberty Street, 2d door below Sixth.

THE subscriber having just returned from the Eastern Cities, would invite the attention of the public to the large and well assortment of fashionable goods now opening and ready for inspection at his establishment. His stock consists in the most fashionable styles and colors.

Broad, Beaver, Pilot and Tweed Wool Dyed Cloths, Plain, Striped, Barred and Fancy Foreign and Domestic Cassimeres;

CLOTHS AND CASSIMERES FINISHED, EXTRA SUPERFINE SATTINETTS, ALL COLORS

Plain and Fancy Sattinetts, all Colors and Qualities;

A FEW PIECES BUCKSHIRE CASSIMERES, A NEW, HEAVY AND BEAUTIFUL ARTICLE, FIRST LOT IN THE CITY.

Satin, Valencia, Woollen and Silk Velvets, Cassimeres, &c. for Vesting.

These together with a large variety of Stocks, Cravats, Scarfs, Pocket Handkerchiefs, Suspenders, Shirts, Bosoms, Collars, underwear, and other articles appertaining to gentlemen's wear. The undersigned is prepared to sell at a small advance on first cost, not over ten per cent. profit, for cash or approved paper. He is also prepared to manufacture Clothing of all kinds to order, after the most approved Eastern and Paris fashions, (which he receives monthly) at the shortest notice, and on the most reasonable terms. The subscriber would say, that though he never has recorded a leg on *shop board,* he can get up a better fitting, and a better made garment, than some of those who, after spending the greater part of their lives cross legged are so ignorant of the sewing department as to be obliged, when they want a coat for themselves, to call in a crook to cut it for them, for want of *ability* to do it themselves. He would caution the public against being humbugged by those who talk so largely about competition tailoring shops, every person of sense will perceive through their motives for such talk. In a few days his attention was directed to an advertisement in one of the papers, written by some conceited *person* whose appearance might be improved by *using* some of the *soap* he talks so much about.

The subscriber has made an arrangement in New York by which he will receive, in the course of a few weeks, a large supply of Shirts at prices varying from 50 cents to $100. Country merchants and others wishing to purchase by the case of dozen, will have their orders, if accompanied by the *cash,* attended to with promptness and despatch. Thankful for the very liberal patronage extended me during the short time I have been in business, I am determined to sell new and good clothing at such prices as will render it to the interest of purchasers to call at the NATIONAL CLOTHING STORE before going elsewhere.

JAMES B. MITCHELL.

☞ 25 or 30 good hands will receive good wages and constant employment by calling soon at the National Clothing Store. None need apply but those who can come well recommended as being able to do the best work. JAMES. B. MITCHELL.

EXTENSION OF PITTSBURGH.

Rare Chance for good Investments!

THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, *One hundred and ten building Lots,* on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from the city line, and are situated in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No property in the suburbs possesses superior advantages, nor has any heretofore been laid out with so liberal an allowance of wide streets; Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and Beelen, Commerce, Brady, Columbus and Water streets all wide avenues. Most of the lots have *two fronts,* and as they are of various sizes, and will be sold, one lot, with the privilege of four or five; early applicants can be accommodated to suit their own views of improvement. Persons who desire to build or to make secure investments in property that is sure to advance in value, and particularly those who intend to erect manufactories, would do well to view these Lots, and examine the draft, before purchasing elsewhere. The survey for the Baltimore and Ohio Rail Road and the rail road survey by the State of Pennsylvania were both made alongside of this property, and it is generally considered that Braddock street, or the ground immediately alongside of it, affords the only eligible route for a Rail Road from Pittsburgh to the East. Coal can be delivered on this property at a much less cost than on the *Allegheny* river, and there is always deep water at this part of the river.

WILL make insurance against Loss or Damage by Fire, in Pittsburgh and vicinity, on Houses, Stores and other buildings, and on Furniture, Goods, Wares and Merchandize, limited or perpetual, in town or country, on the most favorable term.

The Mutual Principle, combined with a Stock Capital, and the other provisions of the Charter of this Company, hold out unusual inducements, both of profit and safety, to those desirous of effecting insurance, to which the Company ask the attention and examination of those interested.

The Capital Stock of the Company is invested in good and sufficient securities. After providing for the losses accruing to the Company, in the course of its business, the stockholders are entitled to receive out of its income and profits an interest not exceeding six per cent. per annum on the Capital Stock actually paid in—the amount of which interest, it is expected, will be supplied by funds invested—and thereafter, all the remaining profits are to accumulate and be held, in like manner with the Capital Stock, for the better security of the assured. But certificates begin to interest, payable annually, transferable on the books of the Company, and convertible at any time into Capital Stock, will be issued therefor to the Stockholders and insured members, in proportion to the amount of Stock held, or premium paid by them respectively, agreeably to the provisions of the Charter.

Those effecting insurances with this company have, besides the usual protection against loss, by the ordinary method of insurance, the additional advantage of a direct participation in the profits of the Company, without any liability.

GEO. W. TOLAND, President.

B. M. HISCHMAN, Secretary.

The subscriber, who is the duly authorized Agent for the above named Company, is prepared to make insurance, at the Office of the Agency, No. 2 S. Charles Hotel, on Third street, a few doors above Wood street, and will give all further information desired.
