From Dr. Baker, Springfield, Washington co., Ky.

Srangarield, Ky., May 14, 1845.

Messrs Sanford & Park—Genis—I take this opportunity of informing you of a most remarkable cure performed upon mably the use of Dr. Wistar's Balsam that there is a wood about these Sefes, but what is worth the control of the

attacked with a severe chill, which seated itself upon my lung; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and was ry kind of medical aid without benefit, and thus I is church & Caruthers, Wm. Larimer, King & Holmes were itself along until the winter of 1844, until I heard of "Wistar's Balsam of Wild Cherry."

My friends pursueded me to give it a trial, though I had given up all hopes of recovery and had prepared myself for the change of another world. Through their noisicitations I was induced to make use of the Genuine Wistar's Balsam of Wild Cherry. The effect was truly astonishing. After five years of affliction, a pain and suffering; and after having spent four or five hundred dollars to no purpose and the best and most the firm, will please present them for settlement, and hundred dollars to no purpose and the best and most the firm, will please present them for settlem saon restored to entire health by the blessing of God who is duly authorized to estile the busines and the use of Dr. Wister's Balsam of Wild Cherry. I am now enjoying good health and such is my altered appraisance that I am no longer known when I

meet my former acquaintances.

I have gained rapidly in weight, and my flesh is firm and solid. I can now set as much as any person, and my food seems to agree with me. I have eaten more during the last six months than I had eaten five years before.

Considering my case almost a miracle, I deem is necessary for the good of the ufflicted, and a dust I now to the proprietors and my follow men (who should know where relief may be lead) to make this state.

WISTAR'S BALSAM OF WILD CHERThe undersigned having been requested by Messra.

We do not wish to traffic with the lives or health of the afflicted, and we sinceruly pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hopes to suffering humanity which facts will not warrant.

We ask the attention of the eandid to the following considerations.

New year of the works, has left indellible marks of adaptation and design.

CERTIFICATE.

The undersigned having been requested by Messra.

Constable & Strickler, to be present and superintend a test, by fire, of one of their recently invented Phennix Fice Proof, safer, and demning the subject one of very great public importance, have carefully actualized the progress of a test, to which one of said chests was subjected. The chest was supported at each corner, at an elevation of 10 to 12 inches from the ground a fire of Bituminious coul and fire was made over and around and kept actively burning 54 consecutive heurs. The fuel consumed was about 80 bushels of cool, and one cord of wood; the heat all the while bele marks of adaptation and design.

The constitution of the asimula and vegerators of ing quite intense, and in the opinion of the undersign and much greater than a safe is likely to sustain in any ordinary house burning.
