You may recollect, when I first commenced selling your medicine, which was in May, 1814, we little dreamed of the success that would crown the undertaking. Our remises had been so completely flooded by the one thousand and one unsaleable remedy for every possible complaint under the sun, that I seriously contemplated having nothing more to do with any thing of the kind. However, at the most urgent solicitation, we consented to make a trial of yours. At first we found considerable difficulty in attracting public attention to progressing at every repetition of the dose. I have no doubt that a few more boxes will effectually cure me."
