[From the Agent at Quebec, L. C.] DISEASE OF THE LIVER. DEAR SIR!-Agreeable to your desire, I write to DEAR SIRE—Agreeme to your dearly, while to keep you apprized of the prospects of the Clickenet Sugar Coated Purgative Pill, in this city. You may recollect, when I first commenced selling your medicine, which was in May, 18:4, we little dreamed of the control o the success that would crown the undertaking. premises had been so completely flooded by the one thousand and one unsaleable remedy for every possiplated having nothing more to do with any thing of the kind. However, at the most urgent solicitation, we consented to make a trial of yours. At first we found considerable difficulty in attracting public attention to a reds them. People had been so often deceived by the vile compounds which have flooded the country for the last 15 years or more, that they determined, if possible, never to be "taken in" again; and the conseience was, they could hardly be persuaded to accept of the Pills, as the saying is, for "love nor money."

Thus matterra proceeded for a week or two, when, as "good luck would have it, "Mrs. N———, a lady of our city, who had long suffered from an affection of the Liver, accompanied by indigestion of the most obstinate character, was persuaded toncept of a box, on condition that nothing was to be paid for it, if they did not afford her the necessary relief. I must confess, we ourselves had very little faith in the matter, knowing as we did, that her complaint was one of long standing, and had been unsuccessfully treated by the most eminent Physicians of this and several neighboring towns. But we had determined to give the medicine of the trial and if it proved to be worthless. it ine a fair trial, and if it proved to be worthless, it F eastern manufacture for wool carding machine you and to us. No less to our joy than surprise, how ever, only a few days had elapsed, when the lady again presented herself at our counter and enquired for anoth the box. When I took the second dose, I began to feel much better than I did at first; the pain in my side was considerably relieved; my appetite began to improve; and the blocd seemed to circulate through my veins as it did in my she will never forget the Clickener Sugar-Coated Pills. As might naturally be supposed, the news of this extraordinary cure was rapidly disseminated throughthe city and adjacent country; and scarcely a week had elapsed, before enquiries began to be made for Click ener's Sugar-Coated Purgative Pills; and the demand has already increased to such an extent, that we find the greatest difficulty in supplying it. In fact, if it did not seem like exaggeration, I might almost say that we are literally besieged by women and children, laboring under every possible ailment which "human ftesh is heir tu." The halt, the lame, and the blind; the sathmatic consumptive, and dyspenic, are thronging asthmatic, consumptive, and dyspeptic, are thronging our doors in pursuit of the never-failing Panaces. Testimoniuls of its salutary effects are voluntarily flowing in upon us from every quarter. One person informs us he has been relieved of a most obstinate informs us he has been relieved of a most obstinate Dyspepsia. Another has just recovered from a serious attack of Apoplexy. A third has succeeded in expelling from his system the symptoms of Jaundice. And a fourth has just recovered from an attack of Pulmonary Consumption, which had confined him to his bed for many months.—So we go. But do not fail to keep us supplied. Besides our Retail Trade, we have standing orders from the country to a large amount. Send 30 Gross at your earliest convenience Yours, &c. R. H. WILLIAMS.
