question, but we do know that same of them sillivgues. Commercial for the mility and such with the propose any appropriation to the Dry Dock, so long as the people of Philadelphia occupy their precent position of hostility to western interests. The people of Ohio, Indiana, Illinois, Kenucky, and Missouri are all deeply interested in the question of pixels as the people of Ohio, Indiana, Illinois, Kenucky, and Missouri are all deeply interested in the question of pixels as the people of western people of western leading his meeting with all followers, with the variety of way." now pending in our state Legislature. The are quite as anxious in reference to the subject as the people of western people of weste bill granting the Baltimore and Ohio Raiiroud tight of way to Pittshurch.

Isaac Harris, of this city, in the New York American Mercel's colony. One of the pairs found to the States is still engaged in the discussion of the resulus tions which passed the Hause of Representatives some time since, authorizing the President of the U. States to notify the British Government, of the desire of the United States to terminate joint occupancy.—We hope the Senate will speedily close the discussion and adopt the resolutions of the House, or others having in view the same object. The people of the United States believe that our title to the whole of the Oregon Territory, is "unquestionable," and will never agree that any portion of it shall be surrendered to the British Government. Letters from Washington are filled with rumors on this important subject.—Some essert that the question will be resoluted and sent that the question will be presented to the British Government. Letters from Washington are filled with rumors on this important subject.—Some essert that the question will be received as the filled his boxes for gratitations circulation of the subject.—Some essert that the question will be received and the plane of the paint for the lease of Mission Office data from the camp fired in the part of the point of the Program of twas making his have make the part of the part fired in the camp fired in the ca THE OREGON QUESTION .- The Senate of the U lican Temperance Juneaul. are filled with rumors on this important subject. ... matter would have found its way beyond the morn-Some assert that the question will be settled by "compromise" at the 49th parallel; others say that "arbitration" will be resorted to in order to effect a "And yet be complains much of want of support in all the nodestakings.
