the 28th uh: One or two of the Pittsburgh papers urge the Rep-resentatives in Congress from that portion of the State, to oppose an uppropriation for a Dry Dock in Pbiladelphia. Really, this is too bad. Surely the Durgh, but on the contrary, it would assist that section of the State, in creating a demand tor Pittsburgh iron manufactures, and at the same time, by the consump-tion of coal, iron, and the employment of labor, it would give an impole in the prosperity of the whole, whole we stract a few passage: Commonwealth.
