As might naturally be supposed, the news of this externordinary cure was rapidly disseminated through the tripy and squared plant and squared to repair so to be made for Click ener's Sugar-Coated Purgative Pills; and the definant has already increased to such an extent, that we find the greatest difficulty in supplying it. In fact, if it did not seem like exaggeration, I might almost say that we are literally besieged by women, and children, laboring deci3. Handst, between Penn and Liberty.

PEAR SIR:—Agreeable to your desire, I write to keep you apprized of the prospects of the Clickener Sugar Coated Purgative Pill, in this city. You may recollect, when I first commenced selling your medi-cine, which was in May, 18.4, we little dreamed of the success that would crown the undertaking. Our premises had been so completely flooded by the one ousand and one unsaleable remedy for every possible complaint under the sun, that I seriously contem-plated having nothing more to do with any thing of the plated having nothing more to do with any thing of the kind. However, at the most urgent solicitation, we consented to make a trial of yours. At first we found considerable difficulty in attracting public attention to wards them. People had been so often deceived by the vile compounds which have thooded the country for the lust 15 years or more, that they determined, if possible, neverto be "taken in" again; and the consequence was they could have the proposed of the consequence was they could have the proposed of the consequence was they could have the proposed of the consequence. quence was, they could hardly be persuaded to accept of the Pills, as the saying is. for "love nor money." Thus matterts proceeded for a week or two, when, as "good luck would have it. "Mrs. N——, a lady of our city, who had long suffered from an affection of the Liver, accompanied by indigestion of the most abstinate character, was persuaded to accept of a box, on condition that nothing was to be paid for it, if they did not afford her the necessary relief. I must confess, we ourselves had very little faith in the matter, know ing as we did, that her complaint was one of long standing, and had been unsuccessfully treated by the most eminent Physicians of this and several indehoor-ing towns. But we had determined to give the medi-cine a fair trial, and if it proved to be worthless, it would be a source of satisfaction to know it both re you and to us. No less to our joy than surprise, how ever, only a few days had elapsed, when the lady again CLOTHING.
