

JOHN BROWNE, EDITOR.
PITTSBURGH, WEDNESDAY, MARCH 11, 1914.

THE RIGHT OF WAY
A decided friend of the Central Railroad, in a letter dated at Pittsburgh, March 10, 1914, writes to the Editor of the Morning Post: "I have been reading with interest your issue of the 7th inst. in relation to the proposed extension of the Central Railroad from the bridge in the back, and the stoppage on the 'Right of Way'." As you will have seen, the proposal is to grant a right of way to the railroad, and the railroad will then be in a position to extend its line to the city.

WILLIAM B. FOSTER, JR. OF BRADFORD COUNTY.

The Right of Way
The weather in Canada has been unusually severe. The Hamilton Gazette says: "Another heavy fall of snow has rendered traveling almost impracticable, and the position market has, in consequence, risen considerably. A female, in attempting to walk from the town to the wharf, became so fatigued that she sat down and perished."
The King's Head of the 5th Feb. says that on the previous Thursday the snow fell to the depth of more than two feet, together with the large quantity of rain which fell on the night of the 3rd.

Canal Navigation.
It will be seen by the following letter from the Secretary of the Canal Board to our excellent Colleague, that the opening of navigation is now only delayed by the frost in the back, and the stoppage on the 'Right of Way.' As you will have seen, the proposal is to grant a right of way to the railroad, and the railroad will then be in a position to extend its line to the city.

Democratic Convention.
(Continuation of the proceedings.)
At half past nine the convention again met, pursuant to adjournment, when J. B. Foster, Jr., of Bradford County, was nominated for the position of President of the convention.
