Worms, Cholera Morbus, Couglia, Quinsay, Whooping Cough, Consumption, Fits, Liver-Complaint, Erysipe las, Deafness, Itchings of the Skin, Colds, Gout, Giav el, Nervous complaints, and a variety of other diseases, arising from Impurities of the blood, and obstructions in the organs of digestion.

DISEASE OF THE LIVER. DEAR StR:-Agreeable to your desire, I write to DEAR SIR:—Agreeable to your derire, I write te keep you apprized of the prospects of the Clickener Sugar Coated Pungative Pill, in this city. You may recollect, when I first commenced selling your medi-cine, which was in May, 18.4, we little dreamed of the success that would crown the undertaking. Our premiass had been so completely flooded by the one thousand and one unsaleable remedy for every possi-ble complaint under the sun, that I seriously contem-nared having nothing more to do with any thing of the ble complaint under the sun, that I seriously contem-plated having nothing more to do with any thing of the kind. However, at the most urgent solicitation, we consented to make a trial of yours. At first we found considerabled!fliculty in attracting public attention to wards them. People had been so often deceived by the vile compounds which have flooded the country for the last 15 years or more, that they determined, if possible, never to be "taken in" again; and the coare-quence was, they could hardly be persuaded to accept of the Pills, as the saying is, for "love nor money." Thus matterrs proceeded for a week or two, when, as "good luck would have it, "Mrs. N-----, a lady of our city, who had long suffered from an affection of the Liver, accompanied by indigestion of the most ob-stimate character, was persuaded to accept of a box, on condition that nothing was to be paid for it, if they did mot afford ber the necessary relief. I must confesa, not afford her the necessary relief. I must confess, we ourselves had very little faith in the matter, know-ing as we did, that her complaint was one of long standing, and had been unsuccessfully treated by the

of the Fills, and my improvement has been sensibly progressing at every repetition of the dosc. I have no doubt that a few more boxes will effectually curs me." The result was as she predicted. Her bealth is completely restored. The flush of youth and beauw has returned to her checks, and the prospect of a long and a happy life is before her. 1 am satisfied she will never forget the Clickener Sugar-Conted Pills.
