Transportation Lines. 至 1846. 嚴峻 Independent Portable Boat Line For the Transportation of Produce, and Merchandise, to and from PITTSBURGH, BALTIMORE AND PHILADELPHIA No Transhipment. THE subscribers. Agents for a number of the be Portable Boats, forming a regular daily Line, be tween Pittsburgh and the Eastern cities, will be fully prepared, on the opening of navigation, to ship a large amount of Produce and Merchandise with despatel and on accommodating terms. The great success which has characterised this mode of transportation on the Penna Canals and Railronds during the last few years, notwithstanding the opp-sition of long established companies, and is a pretty sure indication of its superiority over the old plan of 1846 Bingham's Transportation Line, BETWEEN PITTSBURGH AND THE EAST-PROPRIETORS, WM. BINGHAM, JACOB DOCK. THOS. BINGHAM. Conducted on Sabbath-keeping principles. THE Proprietors of the old established Line hav thoroughly recruited and renewed their stock, and are well prepared to forward Produce and Merchandise on the opening of assignation.

The long experience of the Proprietors in the car rying business, with their watchful attention to the in terests of customers, induces them to hope that the patronage heretofore extended to "Bingham's Line" will be continued and increased. Deeming the usual self-gloritying style of advertis ing too absurd for imitation, and believing that with would merely invite such as have not heretofore putronised our Line, to give us a trial. Our rates of freight shall at all times be as low as he lowest that are charged by other responsible Lines. Produce and Merchandise will be received and forwarded without any charge for advertising. Storage or Commission. Bills of I ding promptly forwarded, and every direction carefully attended to nd every direction carefully attended to.
