The Keystone editor, we doubt not, will be much mistaken if he expects Gov. Shunk to veto the bill granting the Baltimore and Ohio Railroad right of way to Pittsburgh, if passed by the Legislature.

Gov. Shunk for several years was a citizen of this city—he is well informed upon this question—the facts within this knowledge, we feel well assured, will induce him to look upon the measure as one of greatimportance, not only to the west, but to the entire State of Pennsylvania. Gov. Shunk is a statesman of enlarged and liberal views, and we think the edition of the "Keystone" will find that he cannot, and will not be influenced by narrow and self-th consider.

Pittsburgh Navigation and Fire Intu-

rance Company. Office, No. 21, MARKET STREET.

THE Citizens of Pittsburgh continue to be offered an opportunity to effect insurance upon their property, by a Domestic Institution, located among themselves, based upon Domestic Capital, and conducted selves, based upon Domestic Capital, and conducted by Directors, in whose prudence, integrity and good faith; hey can readily ascertain, whether they may repose that undoubted confidence and security, which should ever attend an insurance transaction. To persons whose property has, already, been damaged, or destroyed, by Fire or Water, the advan tage of personally adjusting aloss with an institution, AT HOME, will be strikingly evident. To those who AT HOME, will be strikingly evident. At those who suffered by the Great Fire, this particular corporation needs no recommendation. The prompt payment of the whole amount of its losses—NEARLY TWO HUND-RED THOUSAND DOLLARS-is to them a sufficient guarantee of future security.

It is the part of all prodent men, however fortunate.

to anticipate calamity for the purpose of avoiding its effects. To such as have hitherto escaped, as well as to those who have sustained loss, the fucility of pro-tection and indemnity, offered by this institution, will be the strongest inducement to avoid the reflections regrets which must be experienced by those who suffer without hope of restitution.

M. ALLEN, President.

ROBERT FINNEY, Secretary. THE "RIGHT OF WAY BILL" WILL PASS! THE RIVERS WILL RISE !!-- And SHA W will continue to sell beef, pork, sausages and mutton, as usual, at STALL No 25, at the east end of the old ourt House!!!
ROBERT SHAW takes this method of informing his old customers (and inviting the new) to a rare specimen of beef and mutton, he will have at his sham-

Saturday, Monday and Tuesday Mornings. He will be able to crack Pittsburgh against the orld, with his display of beef and mutt had his oxen and sheep fed expressly for this market, and this season he feels assured that he can go shead of anything that may be offered for fe of anything that may be offered, for fineness and fatness, and is well calculated to please the most fastidius epicure.
The knepers of Hotels and Boarding Houses are invited—those persons who are about to furnish suppers in honor of Iteland's patron Saint are invited—steam post providers and the public in general are invitedto come and see the fattest and best beef and mutton

to come and see the fattest and pest peer and muston ever exhibited in our market.

He will charge nothing for looking at his stall; and if any wish to BUY, they may rest assured he will not charge above the common market pice. It is not for the purpose of speculating that he has made this arrangement, but to show the world that Pittsburgh is rangement, but to show the world that Pittsburgh is not, nor should she be behind the world. Why should she? mar14-2r. BY JOHN D. DAVIS, Auctioneer, corner of Wood and Fifth streets.
