The long experies to of the Proprietors in the carrying business, with their watchful attention to the interests of customers, induces them to hope that the patronage heretefore extended to "Binghum's Line" will be continued and increased. Deeming the usual self-glorifying style of advertis ing too absurd for imitation, and believing that with former customers, we need no self-commendation, we

would merely invite such as have not heretofornatronised our Line, to give us a trial. Our rates of freight shall at all times be as low as he lowest that are charged by other responsible Lines.
