Pittsburgh Navigation and Fire Insurance Company. Offic, No. 21, MARKET STREET.

THE Citizens of Pittsburgh continue to be offered an opportunity to effect insurance upon their prop-erty, by a Domestic Institution, located among them-selves, based upon Domestic Capital, and conducted by Directors, in whose prudence, integrity and good repose that undo bied confidence and security, which should even attend an insurance transaction. To persons whose property has

To persons whose property has, already, been damaged, or destroyed, by Fire or Water, the advan damaged, or destroyed, by rife of that, the anyon tage of personally adjusting alloss with an institution, AT HOME, will be strikingly evident. To those who suffered by the Great Fire, this particular corporation needs no recommendation. The prompt payment of the whole amount of its losses-NEARLY TWO HUND-RED THOUSAND DOLLARS--is to them a sufficient uarantee of future security. It is the part of all prudent men, however fortunate,

to anticipate calamity for the purpose of avoiding its effects. To such as have hitherto escaped, as well as to those who have sustained loss, the facility of pro-tection and indemnity, offered by this institution, will bo the strongest inducement to avoid the reflections and regrets which must be experienced by those who suffer without hope of restitution.
