BETWEEN PITTSBURGH AND THE EAST-ERN CITIES. PROPRIETORS,

Conducted on Sabbath-keeping principles.
THE Proprietors of the old established Line hav thoroughly recruited and renewed their stock and are well prepared to forward Produce and Morchandise on the opening of navigation. The long experience of the Proprietors in the carrying business, with their watchful attention to the interests of customers, induces them in hope that the patronage heretofore extended to "Bingham's Line" will be continued and increased.

Doming the usual self-glorifying style of advertising too absurd for imitation, and believing that with former customers we need no self-commendation, we would marely invite such as have not heretofore patronised our Line, to give us a trial. Our rates of freight shall at all times be as low as

the lowest that are charged by other responsible Lines.

Produce and Merchandise will be received and forwarded without any charge for advertising. Storage or Commission. Date of the strength and every direction carefully attended to.
