any other responsible Line, and are determined that
no care or attention on their part shall be wanting to
secure a continuance of that patronage so liberally
bestowed upon them for several years past.

The decided success of the Portable Boat system,
so manifest in the regularity and dispatch experienced
in the delivery of goods, the absence of all risk of delay,
breakage or other damage incident to the old system,
where goods have to be hurriedly transshipped three
times on the way, and the merchantable order, it
which produce has been avowedly delivered by them
