Independent Portable Boat Line,

For the Transportation of Produce, and Merchandise, to and from

PITTSBURGH, BALTIMORE AND PHILADELPHIA.

No Transhipment.

THE subscribers, Agents for a number of the best Portable Boats, forming a regular daily Line, between Pittsburgh and the Eastern cities, will be fully prepared, on the opening of navigation, to ship a large amount of Produce and Merchandise with despatch and on accomodating terms.

The great success which has characterised this mode of transportation on the Penn'a Canals and Railroads, during the last few years, notwithstanding the opposition of long established companies, and is a pretty sure indication of its superiority over the old plan of transhipping at the different terminous of canals and railroads.

We therefore ask for the Independent Portable Boat Lines liberal share of patronage.

Products or Merchandise consigned to us for shipment will be forwarded immediately on arrival free of any charge for commission, storage or insurance.—Bills Lading transmitted, and all instructions promptly attended to.

Bingham's Transportation Line,

BETWEEN PITTSBURGH AND THE EASTERN CITIES.

PROPRIETORS.

THOS. BINGHAM, JACOB DOCK.
WM. A. STRATTON.

Conducted on Sabbath-keeping principles.

THE Proprietors of the old established Line have thoroughly recruited and renewed their stock, and are well prepared to forward Produce and Merchandise on the opening of navigation.

The long experience of the Proprietors in the carrying business, with their watchful attention to the interests of shippers, induces them to hope that the patronage heretofore extended to "Bingham's Line" will be continued and increased.

Deeming the usual self-glorifying style of advertising too absurd for imitation, and believing that with forgone customers no need of self-commendation, we would merely invite such as have not heretofore patronized our Line, to give us a trial.

Our rates of freight shall at all times be as low as the lowest that are charged by other responsible lines. Produce and Merchandise will be received and forwarded without any charge for advertising, Storage or Commission. Bills of lading promptly forwarded, and every direction carefully attended to.

IMPORTANT ARRIVAL.

THIS day received, and now opening, a splendid assortment of Fancy Plain and Fancy Colored

CLOTHS, CASSIMERES, VESTINGS, &c.,

All of the choicest selections.

The subscriber is now opening his stock of Spring Goods, which, for variety, taste, style and quality, has never before been offered in this city. The very flattering patronage bestowed upon this establishment, the past year, has induced the subscriber to make an unusual large purchase. Many of these Goods are of a superior quality and texture, and of a kind never brought to this market by any other establishment.—He would respectfully solicit the attention of his friends and the citizens generally, who are accustomed to having their garments made to order, having for some time past paid particular attention to this branch of his business, and having secured the assistance of the most competent and fashionable Cutters, some of whom are established and well known as such in this community.

It would be difficult, in a common advertisement, to enumerate the various articles comprising this stock, but it consists of every description of goods suitable for gentlemen's wear, such as

Superfine, Plain and Fancy Colored FRENCH AND ENGLISH BROADCLOTHS.
CASSIMERES, of entire new styles, various qualities;
VESTINGS, of every description, a few expressly for "Dress or Party Vests;"
FINE TWEEDS, of various styles and prices;

He will be pleased at all times to show these Goods to any wishing to purchase, feeling confident that he can furnish any garment in his line on as good terms, and in better style, than at any other establishment West of the Mountains. An examination of the goods and style of workmanship will convince any person of the advantages to be derived by purchasing at this establishment.

CONSUMPTION!

DR. SWAYNES'S Compound Syrup of Wild Cherry.

The Original and Genuine Preparation!

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting-Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S
Compound Syrup of Wild Cherry.

THIS "Celebrated Remedy" has now, by its intrinsic virtues, acquired a celebrity which can never be shaken by the many quack Nostrums with which the country abounds. The public are fast learning that this is the only remedy that can be relied upon in the speedy and permanent cure of all diseases of the Lungs. It is literally sweeping Consumption from the land; wherever it is introduced that disease dwindles into insignificance. The public have thoroughly long enough, and now *treats* to a medicine which the testimony of the most eminent physicians in the land has placed beyond the reach of criticism.—In requires no bolstering up, by publishing columns of forged certificates—but it is enough to let the public know where it can be obtained, and one trial will convince all, of its great efficacy in curing those distressing diseases above named, which have baffled the skill of the most learned practitioners for ages heretofore.

Dr. Swayne's compound Syrup of Wild Cherry was the first preparation from that valuable tree which was ever introduced to the public, and ample proof is afforded of its success by the country being flooded with "Balsam," "Candies," and "Mixtures" of Wild Cherry, no one of which is prepared by a regular physician, although they have assumed the names of respectable physicians to give currency to their "Nostrums" Therefore, the public should be on their guard, and not have a worthless mixture palmed upon them for the original and genuine preparation, which is only prepared by Dr. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia.

Consumptives, or those whose Lungs are affected slightly, should take this Syrup without delay, by which they may prevent the fixing of their disease in full and firmly. How important, then, to avoid it.—Never live a day with a cough when this Syrup can be had, and you are nearly certain, with proper care, to avoid destruction by Consumption.

Dr Swayne's Compound Syrup of Wild Cherry is a compound of Vegetable Remedies; it is called "Wild Cherry," because that article is the basis of the Preparation. It is so combined with other ingredients, that the utmost efficiency is given to its good qualities, as a supporter and preserver of the powers and functions of life, it has no equal.

Remember, all preparations purporting to contain WILD CHERRY, are fictitious and counterfeit, except that bearing the written signature of DR. SWAINE. Great care should be observed in purchasing of the authorized agents. The only agents in Pittsburgh for the sale of the genuine medicine are, Wm. Thorn, 53 Market st.; Ogden & Snowden, corner of Wood and 2d sts.—and S. Jones, 180 Liberty st., where it can be obtained genuine, wholesale and retail, at proprietor's prices. Sold by John Mitchell, Allegheny city; E. B. Hinman, Cincinnati; Dr. Megoffin, Steuben; H. Burton & Co. Erie; J. S. Morris & Co., Louisville; Dr. E. Easterly & Co., St. Louis; Andrew Oliver & Co., New Orleans, and by regularly appointed agents in nearly all the principal towns in the United States.

☞ Country storekeepers will find it to their advantage to have a supply of this popular family medicine. jan29 1y

EACH PAPER BEARS THE LABEL AND WARRANTY OF

DAVID LANDRETH.

FOR sale by F. L. SNOWDEN, No. 29 Water st., at the stand formerly occupied by Geo A Berry.

Extract from the "Report" of the Visiting Committee of the Pennsylvania Horticultural Society," unanimously adopted, and ordered to be printed.

Landreth's Nurseries and Gardens.

"These extensive grounds are on Federal street near the Arsenal. * * * The earliest collection of Camellias was made here. Some of these now in Possession of those distinguished nurserymen, are ten feet high. * * * The selection of GREEN HOUSE PLANTS is valuable and extensive.

The *Nurseries* are all very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space; we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of

FOREST AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS,

with a collection of herbaceous plants. FRUIT TREES of the best kind and most healthy condition; large beds of seeding apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon stockers, which carry with them into the graft all the diseases of the parent stock * * *

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The Seed Establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery, at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a "*genuine* article." Knowing thus the age, quality, and process of culture of every plant, the supply from their grounds is recommended with great confidence."

*** Since the date of the "Report" from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise of Roses, and other desirable plants, both tender and hardy; Fruit Trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.

The Mutual Principle, combined with a Stock Capital, and the other provisions of the Charter of this Company, hold out unusual inducements, both of profit and safety, to those desirous of effecting insurance, to which the Company ask the attention and examination of those interested.

The Capital Stock of the Company is invested in good and sufficient securities. After providing for the losses accruing to the Company, in the course of its business, the stockholders are entitled to receive, out of its income and profits an interest not exceeding six per cent. per annum on the Capital Stock actually paid in—the amount of which interest, it is expected, will be supplied by funds invested—and thereafter, all the remaining profits are to accumulate and be held, in like manner with the Capital Stock, for the better security of the assured. But certificates beginning interest, payable annually, transferable on the books of the Company, and convertible at any time into Capital Stock, will be issued therefor to the Stockholders and insured members, in proportion to the amount of Stock held, or premium paid by them respectively, agreeably to the provisions of the Charter.

Those effecting insurance with this company have, besides the usual protection against loss, by the ordinary method of insurance, the additional advantage of a direct participation in the profits of the Company, without any liability.

INSENSIBLE PERSPIRATION.

The preceding figure is given to represent the INSENSIBLE PERSPIRATION. It is the great *evacuation* for the impurities of the body. It will be noticed that a thick cloudy mist issues from all points of the surface, which indicates that this perspiration flows uninterruptedly when we are in health, but ceases when we are sick. Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and disposes by this means, of nearly all the impurities within us. The language of Scripture is, "*in the Blood is the Life.*" If it ever becomes impure, it may be traced directly to the stoppage of the *insensible perspiration*. Thus we see, all that is necessary when the blood is stagnant, or is fevered, is to open the pores, and it relieves itself from all impurity *instantly*. Its own heat and vitality are sufficient, without any particle of medicine, to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practitioners, however, direct their efforts to restore the Insensible Perspiration. The Thomponsian, for instance, *steams*, the Hydropathist shrouds us in wet blankets, the Homopathist deals out infinitesimals, the Allopathist bleeds and doses us with mercury, and the blustering Quack gorges us with pills, pills, pills.

To give some idea of the amount of the Insensible Perspiration, we will state that the learned Dr. Leveneck, ascertained that five eights of all we receive in to the stomach, passed off by this means. In other words, if we eat or drink eight pounds per day, we evacuate five pounds of it by the Insensible Perspiration.

This is none other than the used up particles of the blood, and other juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five-eighths of all the virulent matter, that our bodies demands should leave the body.

By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develope itself. Hence, a stoppage of this flow of the juices, originates so many complaints.

It is by stopping the pores, that overwhelms mankind with coughs, colds, and consumption. Nine tenths of the world die from diseases induced by a stoppage of the Insensible Perspiration.

Let me ask, now, every candid mind, what course seems the most reasonble to pursue, to unstop the pores, after they are closed. Would you give physic to *unstop* the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external application to effect it. Under these circumstances, I present to physicians, and to all others, McAlister's *All-Healing Ointment* or he *World's Salve*. It has *power* to restore perspiration on the feet, on the head, around old sores, upon the chest, in short, upon any part of the body, whether it caused slightly or severely.

It has *power* to cause all external sores, scrofulous humors, skin diseases, poisonous wounds, to discharge their putrid matter, and then heals them.

It is a *remedy* that sweeps off the whole catalogue of cutaneous disorders, and restores the entire cuticle to its healthy functions.

It is a *remedy* that forbids the necessity of so many and deleterious drugs taken into the stomach.

It is a *remedy* that neither sickens, gives inconvenience, or is dangerous to the intestines.

It preserves and defends the surface from all derangement of its functions. The surface is the outlet of five-eighths of the bile and used up matter within It is pierced with millions of openings to relieve the intestines. Stop up these pores, and *death* knocks at your door. It is rightly termed All Healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, fever involving the utmost danger and responsibility, and I declare before Heaven and man, that not in a single case has it failed to benefit, when the patient was within the reach of mortal means.

I have had physicians, learned in the profession; I have had ministers of the Gospel, Judges on the bench, Aldermen and Lawyers, gentlemen of the highest erudition and *multitudes of the poor*, use it in every variety of way, and there has been but one voice—one united and universal voice—saying "McAlister, your Ointment is *good*.

CONSUMPTION.

It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, seperates the poisonous particles that are consuming them, and expels them from the system.

I need not say that it is curing persons of Consumption continually, although we are told it is foolishness, I care not what is said, so long as I can cure several thousand persons yearly.

HEADACHE.

The Salve has cured persons of the Headache of 10 years standing, and who had it regularly every week, so that vomiting often took place.

Deafness and Ear Ache are helped with like success.

COLD FEET.

Consumption, Liver complaint, pains in the chest or side, falling off the hair, one or the other always accompanies cold feet. It is a sure sign of disease in the system to have cold feet.

The Salve will cure every case

Tic Sceruffa, Erysipelas, salt Rheum, Liver complaint Sore Eyes, Quinsy, Sore Throat, Bronchitis, Broken or Sore Breast, Piles, all Chest Diseases, such as Asthma, Oppression, Pain, also Sore Lips, Chapped Hands, Tumours, Cutaneous Eruptions, Nervous Diseases, and of the Spine there is probably no medicine now known so good.

BURNS.

It is the best thing in the world for Burns. (Read the Directions around the box.)

PIMPLES ON THE FACE, MASCULINE SKIN GROSS SURFACE.

We have cured cases that seemingly defied every thing known as well as the ability of human or young doctors. One was sold us for the last time, $500, on his children without any benefit, when a few boxes of the ointment cured them.

CORNS.

Occasional use of the Ointment will always keep corns from growing
