THE subscribers, Agents for a number of the best Portable Boats, forming a regular daily Line, between Pittsburgh and the Eastern cities, will be fully prepared, on the opening of navigation, to ship a large amount of Produce and Merchandize with despatch and on accomodating terms.

We therefore ask for the Independent Portable Boat Line a liberal share of patronage.

### Bingham's Transportation Line,

BETWEEN PITTSBURGH AND THE EASTERN CITIES.

PROPRIETORS,

WM. BINGHAM, JACOB DOCK,
THOS. BINGHAM, WM. A. STRATTON.

Conducted on Sabbath-keeping principles.

THE Proprietors of the old established Line have thoroughly recruited and renewed their stock, and are well prepared to forward Produce and Merchandise on the opening of navigation.

The long experience of the Proprietors in the carrying business, with their watchful attention to the interests of customers, induces them to hope that the patronage heretofore extended to "Bingham's Line" will be continued and increased.

Deeming the usual self-glorifying style of advertising too absurd for imitation, and believing that with former customers we need no self-commendation, we would merely invite such as have not heretofore patronised our Line, to give us a trial.

Our rates of freight shall at all times be as low as the lowest that are charged by other responsible Lines.

Produce and Merchandize will be received and forwarded without any charge for advertising, Storage or Commission. Bills of lading promptly forwarded, and every direction carefully attended to.

It would be difficult, in a common advertisement, to enumerate the various articles comprising this stock, but it consists of every description of goods suitable for gentlemen's wear, such as

Superfine, Plain and Fancy Colored FRENCH AND ENGLISH BROADCLOTHS,
CASSIMERES, of entire new styles, various qualities;

### CONSUMPTION!

## DR. SWAYNES,

### Compound Syrup of Wild Cherry.

*The Original and Genuine Prepration!*

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart,
Influenza, Croup, Broken Constitution,
Sore Throat, Nervous Debility,
and all diseases of the Throat,
Breast and Lungs; the
most efficient and
speedy cure
ever known
for any
of
the above diseases
is
**DR. SWAYNE'S**
**Compound Syrup of Wild Cherry.**

THIS "Celebrated Remedy" has now, by its intrinsic virtues, acquired a celebrity which can never be shaken by the many quack Nostrums" with which the country abounds. The public are fast learning that this is the only remedy that can be relied upon in the speedy and permanent cure of all diseases of the Lungs. It is literally sweeping Consumption from the land; wherever it is introduced that disease dwindles into insignificance. The public have thumbugged long enough, and now resort to a medicine which the testimony of the most eminent physicians in the land has placed beyond the reach of criticism.—In requiresc no bolstering up, by publishing columns of forged certificates—but it is enough to let the public know where it can be obtained, and one trial will convince all, of its great efficacy in curing those diseases of sing diseases above named, which have baffled the skill of the most learned practitioners for ages heretofore.

*Dr. Swayne's compound Syrup of Wild Cherry* was the first preparation from that valuable tree which was ever introduced to the public, and ample proof is afforded of its success by the country being flooded with "Balsam," "Candies," and "Mixtures" of Wild Cherry, not one of which is prepared by a regular physician, although they have assumed the names of respectable physicians to give currency to their "Nostrums" Therefore, the public should be on their guard, and not have a worthless mixture palmed upon them for the original and genuine preparation, which is only prepared by Dr. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia.

*Consumptives*, or those whose Lungs are affected slightly, should take this Syrup without delay, by which they may prevent the fixing of that direful disease fully and firmly. How important, then, to avoid it.—Never live a day with a cough when this Syrup can be had, and you are nearly certain, with proper care, to avoid destruction by Consumption.

*Dr Swayne's Compound Syrup of Wild Cherry* is a compound of "Essential Remedies; it is called "Wild Cherry," because that article is the basis of the Preparation. It is so combined with other ingredients, that the utmost efficiency is given to its good qualities, as a supporter and preserver of the powers and functions of life; it has no equal.

Remember, all preparations purporting to contain WILD CHERRY, are fictitious and counterfeit, except that bearing the written signature of DR. SWAINE. Great care should be observed in purchasing of the authorized agents. The only agents in Pittsburgh for the sale of the genuine medicine are, Wm. Thorn, 53 Market st.; Ogden & Snowden, corner of Wood and 2d sts.—and S. Jones, 180 Liberty st., where it can be obtained genuine, wholesale and retail, at proprietor's prices. Sold by John Mitchell, Allegheny city; E. B. Hinman, Cincinnati; Dr. Meredith, Mercer; J. H. Burton & Co. Erie; J. S. Morris & Co., Louisville; Dr. E. Easterly & Co., St. Louis; Andrew Oliver & Co., New Orleans, and by regularly appointed agents in nearly all the principal towns in the United States.

☞ Country storekeepers will find it to their advantage to have a supply of this popular family medicine. jan 29 1y

WILL make insurance against Loss or Damage by Fire, in Pittsburgh and vicinity, on Houses, Stores and other buildings, and on Furniture, Goods, Wares and Merchandize, limited or perpetual, in town or country, on the most favorable terms.

The Mutual Principle, combined with a Stock Capital, and the other provisions of the Charter of this Company, hold out unusual inducements, both of profit and safety, to those desirous of effecting insurance, to which the Company ask the attention and examination of those interested.

The Capital Stock of the Company is invested in good and sufficient securities. After providing for the losses accruing to the Company, in the course of its business, the stockholders are entitled to receive out of its income and profits an interest not exceeding six per cent. per annum on the Capital Stock actually paid in—the amount of which interest, it is expected, will be supplied by funds invested—and thereafter, all the remaining profits are to accumulate and be held, in like manner with the Capital Stock, for the better security of the assured. But certificates beginning interest, payable annually, transferable on the books of the Company, and convertible at any time into Capital Stock, will be issued therefor to the Stockholders and insured members, in proportion to the amount of Stock held, or premium paid by them respectively, agreeably to the provisions of the Charter.

Those effecting insurance with this company have, besides the usual protection against loss, by the ordinary method of insurance, the additional advantage of a direct participation in the profits of the Company, without any liability.

### McAlister's All-Healing Ointment.

### INSENSIBLE PERSPIRATION.

The preceding figure is given to represent the INSENSIBLE PERSPIRATION. It is the great *evacuation* for the impurities of the body. It will be noticed that a thick cloudy mist issues from all points of the surface, which indicates that this perspiration flows uninterruptedly when we are in health, but ceases when we are sick. Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and disposes by this means, of nearly all the impurities within us. The language of Scripture is, "in the *Blood* is the Life." If it ever becomes impure, it may be traced directly to the stoppage of the *insensible perspiration*. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the pores, and it relieves itself from all impurity *instantly*. Its own heat and vitality are sufficient, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practitioners, however, direct their efforts to restore the insensible Perspiration. The Thomsonian, for instance, *steams*, the Hydropathist shrouds us in wet blankets, the Homœopathist deals out infinitissimals; the Allopathist bleeds and dozes us with mercury, and the blustering Quack gorges us with pills, pills, pills.

To give some idea of the amount of the Insensible Perspiration, we will state that the learned Dr. Lewenhock, ascertained that five-eighths of all we receive in to the stomach, passed off by this means. In other words, if we eat an whole eight pounds per day, we evacuate five pounds of it by the Insensible Perspiration.

This is none other than the used up particles of the blood, and other juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five-eighths of the virulent matter that nature demands should leave the body.

By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develope itself. Hence, a stoppage of this flow of the juices, originates *so many complaints*.

It is by stopping the pores, that overwhelms mankind with coughs, colds, and consumption. Nine tenths of the world die from diseases induced by a stoppage of the Insensible Perspiration.

Let me ask, now, every candid mind, what course seems the most resonable to pursue, to *unstop* the pores, after they are closed. Would you give physic to *unstop* the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external application to effect it. Under these circumstances, I present to physicians, and to all others, McAlister's *All-Healing Ointment*, or *the World's Salve*. It has *power* to restore perspiration on the feet, on the head, around old sores, upon the chest, in short, upon any part of the body, whether diseased slightly or severely.

It has *power* to cause all external sores, scrofulous humors, skin diseases, poisonous wounds, to discharge their putrid matter, and then heals them.

It is a *remedy* that kills seeds of the whole catalogue of cutaneous disorders, and restores the entire cuticle to its healthy functions.

It is a *remedy* that forbids the necessity of so many and deleterious drugs taken into the stomach.

It is a *remedy* that either sickens, gives incovenience, or is dangerous to the constitution, or derangement of its functions. The surface is the outlet of five-eighths of the bile and used up matter within. It is pierced with millions of openings, to relieve the intestines. Stop up these pores, and *death* knocks at your door. It is rightly termed All-Healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver involving the utmost danger and responsibility, and I declare before Heaven and man, that not in one single case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians, learned in the profession; I have had ministers of the Gospel, Judges on the bench, Aldermen and Lawyers, gentlemen of the highest erudition and *multitudes of the poor*, use it in every variety of way, and there has been but one voice—one united and universal voice—saying "McAlister, your Ointment is *good*."

CONSUMPTION.

It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles, that are consuming them, and expels them from the system.

I need not say that it is curing persons of Consumption continually, although we are told it is foolishness. I care not what is said, so long as I can cure several thousand persons yearly.

HEADACHE.

The Salve has cured persons of the Headache of 10 years standing, and who had it regularly every week, so that vomiting often took place.

Deafness and Ear Aches are helped with like success.

COLD FEET.

Consumption, Liver complaint, pain in the chest or side, falling off the hair, one or the other always accompanies cold feet. It is a sure sign of disease in the system to have cold feet.

The Salve will cure every case.

In Scrofula, Erysipelas, salt Rheum, Live complaint, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Broken or Sore Breast, Piles, all Chest Diseases, such as Asthma, Oppression, Pain, also Sore Lips, Chapped Hands, Tumours, Cutaneous Eruptions, Nervous Diseases, and of the Spine there is probably no medicine now known so good.

BURNS.

It is the best thing in the world for Burns. (Read the Directions around the box.)

PIMPLES ON THE FACE, MASCULINE SKIN GROSS SURFACE.

Its first action is to expel all humor. It will not cease drawing till the face is free from any matter that may be lodged under the skin, and frequently breaking out to the surface. It then heals. When there is nothing but grossness, or dull repulsive surface, it begins to soften and soften until the skin becomes as smoothand delicate as a child's.

WORMS.

If parents knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially "mercurial lozenges" called "medicated lozenges," "vermifuge pills," &c. The truth is, so one can tell invariably when worms are present. Now let me say to parents that this Salve will always tell if a child has worms. It will drive every vestige of them away. (Read the directions around the box.)

There is probably no medicines on the face of the earth at once so sure and so safe in its expulsion of worms.

TOILET.

Although I have said little about it as a hair restorative, yet I will stake it against the world. They may bring their Oils far and near, and mine will restore the hair two cases to their one.

OLD SORES.

That some Sores and an outlet of impurities of the system, is, because they cannot pass off through the natural channels of the Insensible Perspiration. If such sores are healed up, the impurities must have some other outlet, or it will endanger life. This salve will always provide for such emergencies.

RHEUMATISM.

It removes almost immediately the inflammation and swelling, when the pain of course ceases.

FEVERS.

In all cases of fever, the difficulty lies in the pores being locked up, so that the heat and perspiration cannot pass off. If the least moisture could be started, the crisis has passed and the danger over. The All-Healing Ointment will in all cases of fevers almost instantly unlock the skin and bring forth the perspiration.

SCALD HEAD.

We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of the ointment cured them.

CORNS.

Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they will use it.

AS A FAMILY MEDICINE

No man can measure its value. So long as the stars roll along, over the Heavens—so long as man treads the earth, subject to all infirmities of the flesh—so long as disease and sickness is known—just so long will this good Ointment be used and esteemed.—When man ceases from off the earth, then the demand will cease, and not till then.
