TESTIMONIALS.
To the Public - In accordance with the prevail-
ing custom, in order to show the virtues of the
medicine more fully, the following certificates have
been secured, and as it is not our wish to tell
the lives, or health of those afflicted, we thought
it better to make no assertion, or FALSE STATE-
MENTS, of the efficacy of our medicine, but to
suffering humanity which facts will warrant. THE
PROOFS ARE HERE GIVEN, and we solicit an
opportunity to have our medicine put to a public
test, and feel assured that we will have a great
number of testimonials, and we will be glad to
send any abstract of our medicine, free of cost.

REMARKABLE CURES.
Of all kinds of Bruises, Hemorrhoids, Swellings,
and all other kinds of Wounds, which
are now equal to those mentioned above,
and which equally show the capability
of our medicine to cure.
