Yes knape to the would be regarded as a consummate knape, if not an absolute madman. We are astonished to find that any Pittsburgh editor, having access (as must necessarily be the case) to New York journals for years post, can be so deplorably in consummate knave, if not an absolute madman. We are also reflected on as being an inferior concern. because "we select our Teas from the promiscu-ous cargoes which arrive." How much more com-mendable to come out with the plain truth than to recort to such vile falschoods as appear in the beginning of the paragraph now under review. The words are 'The Pekin Tea Company of New York, an asso ciation of heavy capitulists in that city," &c.—(Let the reader refer.) Is it possible that the inhabitants of Pittsburgh can swallow all this! In this city (New York) every counting house lad, of fourteen years old, knows better. Let any individual who would satisfy himself on the subject, refer to the files of the Courier and Enquirer, dpurnal of Commerce, or Commercial and Enquirer, Journal of Commerce, or Commercial Advertiser, which he may find at any large Hotel in Pittsburgh, and see, iffin the lists of imported merchance disc, he can discover that any entries of Teas have, been made at the New York Custom House for such a firm as the "Pekin Tea Company." IVe defy them to prove that they ever received Teas direct from China! Who ever believes such a barefaced assertion are deservedly humbugged. As to the fact of their having an 'agent in Canton," we deny it. Who is he! But the idea of their having another in Pekin, is an absurdity so monstrous, and a falsehood so glaring, as not to deserve consideration. Who ever heard of Teas being selected and shipped at Pekin?
