Bingham's Transportation Line.

Conducted on strict Sabbath-keeping principles, though not claiming to be the only Line that is so conducted.

THE proprietors of this old established line have put their stock in the most complete order, and are thoroughly prepared to forward Produce and Merchandize to and from the Eastern cities on the opening of navigation.

We trust that our long experience in the carrying business, and zealous attention to the interests of customers, will secure to us a continuance and increase of the patronage hitherto extended to "Bingham's Line."

Our arrangements will enable us to carry freight with the utmost despatch, and our prices shall always be as low as the lowest charged by other responsible lines.

Produce and Merchandize will be received and forwarded east and west without any charge for advertising, Storage or Commission.

Bills of lading forwarded, and every direction promptly attended to.

RELIANCE PORTABLE BOAT LINE.

1846

FOR TRANSPORTING GOODS
Between Pittsburgh and the Eastern Cities,
WITHOUT TRANSHIPPING.

THIS old established Line (being the oldest Portable Boat Line on the Canal) is now prepared to receive Produce and Merchandize for shipping either East or West. The Boats of this Line are commanded by skilful, experienced and sober Captains, and provided with good crews. Boats and cargoes are transferred from and to Canal and Railroad; saving all removal and separation of goods. Trips made in as short time, and goods carried on as fair terms as any other line.

Thankful for, and respectfully soliciting a continuance of the very liberal and growing patronage heretofore bestowed upon this line, we with confidence assure those merchants disposed to favor us, that their business shall be done to their entire satisfaction. Goods carried by us consigned to either of our houses, will be shipped to their destination, free of charge for shipping, storage or advance of charges. As we hold no interest in Steamboat Stock, Merchants may depend upon their goods always being forward without delay upon good boats and at the lowest rates of freight.

Produce consigned to our house at Philadelphia for sale, will be sold on liberal terms, and advances made either at Pittsburgh or Philadelphia.

Independent Portable Boat Line,

For the Transportation of Produce, and Merchandize, to and from
PITTSBURGH, BALTIMORE AND PHILADELPHIA.
No Transhipment.

THE subscribers, Agents for a number of the best Portable Boats, forming a regular daily Line, between Pittsburgh and the Eastern cities, will be fully prepared, on the opening of navigation, to ship a large amount of Produce and Merchandize with despatch and on accomodating terms.

The great success which has characterised this mode of transportation on the Penns' Canals and Railroads, during the last few years, notwithstanding the opposition of long established companies, and is a pretty sure indication of its superiority over the old plan of transhipping at the different terminous of canals and railroads.

We therefore ask for the Independent Portable Boat Line a liberal share of patronage.

Pittsburgh Portable Boat Line, 1846.

FOR the transportation of freight between Pittsburgh and the Atlantic Cities, via Pennsylvania Improvements and Baldimore and Susquehanna Railroad.

The Proprietors of this old established Line, having completed their arrangements, are prepared to forward goods to and from the East (on the opening of the canal navigation,) on as liberal terms as those of any other responsible Line, and are determined that no care or attention on their part shall be wanting to secure a continuance of that patronage so liberally bestowed upon them for several years past.

The decided success of the Portable Boat system, so manifest in the regularity and dispatch experienced in the delivery of goods, the absence of all risk of delay, breakage or other damage incident to the old system, where goods have to be hurriedly transshipped three times on the way, and the merchantable order, in which produce has been avowedly delivered by them, has induced the proprietors to increase their stock considerably this season. Their extensive warehouses at each point (unequalled by any other Line), affords them facilities to conduct their business with dispatch and to shippers the convenience of free storage, if required, until their arrangements are complete—while their long experience in the carrying trade, it is presumed, will be sufficient guarantee to their patrons and the public, that they will successfully exert themselves to give general satisfaction.

Produce received and forwarded. Steamboat charges paid, and Bills Lading transmitted free of charge for commission, advancing or storage, and all communications to the following agents promptly attended to.

IMPORTANT ARRIVAL

THIS day received, and now opening, a splendid assortment of Fine, Plain and Fancy Colored CLOTHS, CASSIMERES, VESTINGS, &c.,

All of the choicest selections.

The subscriber is now opening his stock of Spring Goods, which, for variety, taste, style and quality, has never before been offered in this city. The very flattering patronage bestowed upon this establishment the past year, has induced the subscriber to make an unusual large purchase. Many of these Goods are of a superior quality and texture, and of a kind never brought to this market by any other establishment.—He would respectfully solicit the attention of his friends and the citizens generally, who are accustomed to having their garments made to order, having for some time past paid particular attention to this branch of his business, and having secured the assistance of the most competent and fashionable Cutters, some of whom are established and well known as such in this community.

It would be difficult, in a common advertisement, to enumerate the various articles comprising this stock. But it contains of every description of goods suitable for gentlemen's wear, such as

Superfine, Plain and Fancy Colored FRENCH AND ENGLISH BROADCLOTHS.
CASSIMERES, of entire new styles; various qualities;
VESTINGS, of every description, a few expressly for "Dress or Party Vests;"
FINE TWEEDS, of various styles and prices;
Olive, Brown, Black and Gold Mixed CASHMERETS.
FINE SACK SHIRTS, with linen bosoms and collars;
SILK UNDER SHIRTS, DRAWERS, splendid Satin Scarfs, Handkercheifs, Suspenders, &c., &c.

He will be pleased at all times to show these Goods to any wishing to purchase, feeling confident that he can furnish any garment in his line on as good terms, and in better style, than at any other establishment West of the Mountains. An examination of the stock and style of workmanship will convince any person of the advantages to be derived by purchasing at this establishment.

DAVID LANDRETH.

FOR sale by F LSNOWDEN, No 29 Water st., at the stand formerly occupied by Geo A Berry.

Extract from the "Report" of the "Visiting Committee of the Pennsylvania Horticultural Society," unanimously adopted, and ordered to be printed.

Landreth's Nurseries and Gardens.

"These extensive grounds are on Federal street near the Arsenal. * * * * The earliest collection of Camellias was made here. Some of those now in possession of those distinguished nurserymen, are ten feet high. * * * * The selection of GREEN HOUSE PLANTS is valuable and extensive. "The *Nurseries* are all very correctly managed, supplying every part of the Union, in detail of which would occupy too much of our space; we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS,

with a collection of herbaceous plants: FRUIT TREES of the best kind and most healthy condition; large beds of seeding apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon suckers, which carry with them into the graft all the diseases of the parent stock. * * * *

"GARDEN SEEDS of the finest quality have been sentioned over the country from these grounds, and may always be depended upon. The Seed Establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery, at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a "genuine article." Knowing thus the age, quality and process of culture of every plant, the supply from their grounds is recommended with great confidence."

*** Since the date of the "Report" from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise of Roses, and other desirable plants, both tender and hardy; Fruit Trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.

The Citizen's Mutual Insurance Company of Pennsylvania,

No. 152, Walnut Street, Philadelphia,

WILL insure houses, stores and other buildings; also merchandize, furniture and property generally, in Pittsburgh and the surrounding country, against loss or damage by fire, for any period of time. Charter perpetual.

The Mutual Principle, combined with a Stock Capital, and the other provisions of the Charter of this Company, hold out unusual inducements, both of profit and safety, to those desirous of effecting insurance, to which the Company ask the attention and examination of those interested.

The Capital Stock of the Company is invested in good and sufficient securities. After providing for the losses accruing to the Company, in the course of its business, the stockholders are entitled to receive out of its income and profits an interest not exceeding six per cent. per annum on the Capital Stock actually paid in—the amount of which interest, it is expected, will be supplied by funds invested—and thereafter, all the remaining profits are to accumulate and be held, in like manner with the Capital Stock, for the better security of the assured. But certificates beginning interest, payable annually, transferable on the books of the Company, and convertible at any time into Capital Stock, will be issued therefor to the Stockholders and insured members, in proportion to the amount of Stock held, or premium paid by them respectively, agreeably to the provisions of the Charter.
