This is none other than the used up particles of the blood, and other juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five eights of all the virulent matter that nature demnylls should leave the body.

By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develope itself. Hence, a stoppage of this flow of the juices, originates so many complaints.

1. i. by stopping the pores, that overwhelms mankind with coughs, colds, and consumption, Nine tenths of the world die from diseases induced by a stoppage of the Insensible Perspiration.

the chest, in short, upon any part of the body, whether seased slightly or severely.

It has power to cause all external sores, scrofulous humors, skin discuses, poisonous wounds, to discharge their putrid matter, and then heals them. It is a remedy that sweeps off the whole catalogue of consneous disorders, and restores the entire cuticle its healthy function and deleterious drugs taken into the stomach.
