Dean of the Faculty, N E Spruce street, Philadelphia,

Pittsburgh Portable Bont Line, 1846. OR the transportation of freight between Pit burgh and the Atlantic Cities, via Pennsylvan ents and Baltimore and Susquehanna R

The Proprietors of this old established Line, h Binghams' Transportation Line.

Conducted on strict Sabbath-keeping principles, though not claiming to be the only Line that is so conducted.

This proprietors of this old established line have any other responsible Line, and are determined that no care or attention on their part shall be warding to secure a continuance of that patronage so liberally bestowed upon them for several years past. Merchandise to and from the Eastern cities on the opening of navigation. Merchaudise to and from the Eastern cities on the opening of navigation.

We trust that our long experience in the carrying business, and zeulous attention to the interests of customers; will seeme to us a continuance and increase of the putronage hitherto extended to "Bingham's Line."

Our arrangements will enable us to carry freight with the utmost despatch, and our prices shall always be as lew as the lowest charged by other responsible lines.

The decided success of the Portable Boat system, so manifest in the regularity and dispatch experienced in the delivery of goods, the absence of all risk of delay, where goods have to be hurrically transshipped three times on the way, and the merchantable order, in which produce has been avowedly delivered by them, has induced the proprietors to increase their stock considerably this senson. Their extensive warehouses the solution of the convenience of fire storage, if re-Produce and Merchandise will be received and for

To give some idea of the amount of the Insensible words, if we eat un drink eight pouds per day, we evacuate five pounds of it by the Insensible Perspira-

This is none other than the used up particles of the blood, and other juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five-eights of all the virulent matter that nature demands should leave the body. By a sudden transition from heat to cold, the nore \$600.615 93 are stopped, the perspiration creases, and disease begins at once to develope itself. Hence, a stoppage of this flow of the juices, originates so many complaints.

\$909633 42 losses will be stoppage of the Vorendeling man-kindi with coughs, colds, and consumption. Nino tenths of the world die from diseases induced by a losses will be stoppage of the Unergible Perspiration.

pores, after they are closed. Would you give physic to unitop the porcs? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external application to effect it. Un-der these circumstances, I present to physiciars, and to all others, McAlister's All-Healing Ointment, or

I deleterious drugs taken into the stomach. It is a remedy that neither sickens, gives inconv the a remark that heritary states, gives inconvenience, or is dangerous to the intestines.

It preserves and defends the surface from all detangement of its functions. The surface is the outlet of five-eighths of the bile and used up matter within It is pierced with millions of openings to relieve the testines. Stop up these pures, and death knocks nt your door. It is rightly termed All Healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before Heaven and man that not in one single case has it fuiled to benefit, when the patient was viction the reach of mortal means.

I have had physicians, learned in the profession; we had ministers of the Gospel, Judges on t bench, Aldermen and Lawyers, gentlemen of the highest condition and multitudes of the poor, use it

every variety of way, and there has been but o CONSUMPTION. It can hardly be credited that a salve can have any No 26 Wood st.

If parents knew how it tail most medicines were to children taken inwardly, they woull be slow to resort to them. Especially "mercuital lozengas" called "medicated lozengas," carmilages 'pills, &c. The truth is, no one can tell, invariably when worms are present. Now let me say to parents that this Salve will always the above stand a large and well selected assortment of Cloths, Cassimeters, Vestings and materials of every description, having been purchased for cash on that and once so sure and so safe in the expulsion of Custina and avoid terms, they are enabled to offer as a contract of the cart of the cart of the cart of the cart of the contract of the cart of the ca

CORNS. Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they will ass it.

AS A FAMILY MEDICINE, No man can measure its value. So long as the stars roll along over the Heavans—so long as that treads the earth, subject to all infirmities of the flesh—so long as discase and sickness is known—just so long will this good Ointment be used and exteemed— When man ceases from off the earth, then the de will cease, and not till then.

JAMES McALISTER & Co. Solo proprietors of the above Medicine. Price 25

AUTION. AUTION.

As the All-Healing Ointment has been greatly counterfeited, we have given this Caution to the public that "no Ointment will be genuine unless the names of James McAlister, or James McAlister. Co., are WRITTER with a PEN upon EVERY label."
Now we hereby offer a reward of \$500 to be paid. n conviction in any of the constituted courts of the Juited States, for any individual counterfeiting our
