estopped, the perspiration ceases, and disease begins once to develope itself. Hence, a stoppage of this kind with coughs, colds, and consumption, Nino tenths of the world die from diseases induced by a stoppuge of the Insensible Perspiration.

Let me ask, now, every candid mind, what course seems the most resonable to pursue, to unstop the pores, after they are closed. Would you give physic to unstop the pores? Or would you apply something that would do the course state that would do the course of Franch. The course of Franch. that would do this upon the surface, where the clog-ging actually is? And yet I know of no physician who makes any external application to effect it. Unsting of French, English and American cloths, (all olors,) a great variety of new style Cassimeres and that would do this upon the surface, where the clogging actually is? And yet I know of no physician
who makes any external application to effect it. Under these circumstances, I present to physicians, and
to all others, McAlister's All-Healing Ointment, or
the World's Salve. It has power to testore perspiration on the feet, on the head, around oldsores, upon
the chest, in short, upon any part of the body, whether
diseased slightly or severely.

It has power to cause all external sores, scrofulous
humors, skin diseases, poisonous wounds, to discharge
their putrid matter, and then heals them.

It is a remedy that sweeps off the whole catalogue
of cutaneous disorders, and restores the entire cuticle
to its healthy functions.
