For freight or passage apply on board. apil 1845, to the first of April, 1846. CORRESPONDENTS. In reference to communications which may appear in this paper, we have one or two remarks to make. nishing and delivering at the navy-yard at Charleston, Massachusetts, one thousand tons of bitaminious coal, and two hundred and fifty tons of anthractic coal; and at the navy yard at Pensacola, Florida, two thousand at the navy yard at Pensacola, Florida, two thousand FOR NASHVILLE-REGULAR PACKET. THOMAS PERKINS, Collector. We will insert none without the name of the author be ing first made known to us, and when inse at the navy yard at Pensacola, Florida, two thousand tons of bluminous coal, and seven hundred and fifty tons of anthracite coal. The whole may be delivered searly as may suit the contractor, but one half of each kind at each yard must be delivered before the lat. Sent Sear, Sear, was built expressly for the Nash-lat. Sentember next, and the whole hefore the lat. ways be taken as expressive of the views of the writer, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved.

Tighty important:—Jackson's Embroca expressed are editorially remarked upon and approved. To amount of duplicate for 1845, expressedure editorially remarked upon and approved.

Grecian Baths.—Perhaps nothing is more needful in our city of smoke and soot, than a sufficiency of clean and comfortable baths, and hitherto no matter of convenience or recessity has been more sadly neglec ted. Not only is there almost a total want of baths in private houses, but, hitherto, there have not been private houses, but, hitherto, there have not been enough good public baths to supply the public wants.

I IGHLY IMPORTANT!—Jackson's Embrocache cach kind at each yard must be delivered before the lat late supply the college of the work and the whole before the late supply the college of the season.

A friend who has been cured by it, asks us to speak warmly in praise of the efficacy of Jackson's Pile Embrocation. He describes it as being the very best remedy of the kind ever imagined by enthusiasts in pharmacy.

Mr. Ashford's letter must decide the question in the mind of every one.

IIGHLY IMPORTANT!—Jackson's Embrocache cach kind at each yard must be delivered before the lat September next, and the whole before the lat Supply the coll must be of the best quality. The bility transaction is proper in ext.

All said coal must be of the best quality. The bility transaction of the improved in the supply as a point of the required. If required, the fine coal is to be broken, of proper size, and screened. If required, the fine coal is to be broken, of proper size, and screened. If required, the fine coal is to be separated from the lump after delivery, at the expense of the coarractors, and the coal of both kinds must be delivered before the lat the supplied trade, and will make her trips regularly during the separate of the coal coal must be delivered before the lat the season.

A friend who has been cured by it, asks us to speak warmly in praise of the efficacy of Jackson's Pile Embrocation. He describes it as being the very best as point and the whole before the lat the season.

A friend who has been cured by it, asks us to speak warmly in the season. Collected, but ommitted in as-CONTRA. By cash paid I J Ashbridge, private bouses, but, hitlerto, there have not been emough good public wants to supply the public wants. Mr Thomas Norris, in fitting up his Grecina Baths, has done something towards supplying this deficiency, and the well deserves patronage. His comisar ewell means are well finded up, well attended, and every thing about them is good order. Those who wish to enjoy the luxory of the bath, should not fail to remember Mr N and his Grecina Baths.
