THE Citizens of Pittsburgh continue to be offered an opportunity to effect insurance upon their erty, by a Domestic Institution, located among selves, based upon Domestic Capital, and concepted to the control of the contr setves, based upon Domestic Capital, and conducted by Directors, in whose prudence, integrity and good fouth; hey can readily ascertain, whether they may repose that undoubted confidence and security, which should ever attend an insurance transaction. To persons whose property has, already, been ys that damaged, or destroyed, by Fire or Water, the advan-ense to tage of personally adjusting a loss with an institution, d your AT HOME, will be strikingly evident. To these who suffered by the Great Fire, this particular corporation needs no recommendation. The prompt payment of needs no recommendation. The prompt payment of the whole amount of its losses—NEARLY TWO HUND RED THOUSAND DOLLARS—is to them a sufficien en Thousand Dollars—is to them a summent enrance of future security.
