The Daily Morning Post.

PITTSBURGH, PA.

FRIDAY MORNING, MAY 8, 1846.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, mustalways be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressedare editorially remarked upon and approved

THE THEATRE.—There was again "a full attendance" at the Theatre last night, "Romeo and Juliet" was admirably performed in all its parts. The afterpiece, a travestie of the "Lady of Lyons" called the *"Lady of the Lions,"* greatly amused the large audience present. Mr Silsbee *on a hoss!*

To-night, Mr MORRIS, an actor of real merit, takes a benefit; he is truly an excellent performer, and such is his popularity with the friends of the Drama, that he will no doubt be well patronized. The pieces chosen for the evening are excellent.

The splendid tragedy of ERADNE has been chosen by Mr MORRIS for his benefit; the play was written by the celebrated Shiels, and is one that will call forth the whole strength of the Company. The cast of characters we regard as very judicious, and we have every reason to believe that the evening's entertainment will be rich beyond precedent. MORRIS is deserving—the pieces selected are good—and we trust that he will be greeted by a house that will cheer his young heart, and convince him that his talents are properly appreciated by the citizens of Pittsburgh.

TO THE MECHANICS AND MANUFACTURERS OF ALLEGHENY COUNTY.

The undersigned having been appointed a Commit. tee to receive and forward articles intended for the Great National Fair and Exhibition, to be held at Washington City on the 20th May next, have obtained the use of the store in Wood street, adjoining the corner of Second street, belonging to Mr T Liggett, where any specimens securely packed, will be received, and from whence they will be forwarded to Washington at the expense of the owner, which, by way of Brownsville, and Cumberland, will be about $1,00 per 100 lbs.

It is highly important that the skill and industry of Allegheny County should be fully represented, not only by the exhibition of new and curious specimens, but also by a display of those staple articles of manufacture which are required for the regular course of business, and which ought to be accompanied by statements of their lowest wholesale prices.

In order to secure favorable positions for these specimens that may be transmitted, it will be necessary that they should not be later in leaving this city than Monday, 4th May next.

Clickener's Sugar-coated Vegetable Pills—All diseases have their origin in impurity of blood. However excellent the general health, there is no security against fever, where the blood is impure, as indicated by eruptions of the skin, vertigo, headache, lassitude, &c. The best purifier of the blood is Clickener's Sugar coated Pill, which is so skilfully compounded, that it does not cause griping, the great objection to all pills. The envelope of sugar prevents all nausea, so that, save from the powerful yet easy operation, the patient would hardly be aware that he had taken any medicine at all. So well convinced is Dr. Clickener of the efficacy of his pills in all specified cases, that he is pledged to return the money, when the promised effect is not produced.

Sold by Wm Jackson, corner of Wood and Liberty streets, who is general Agent for Dr Clickener's Pills in Pittsburgh and vicinity.

☞ Beware of an imitation article called *"Improved Sugar-Coated Pills,"* purporting to be Patented as both the pills and pretended patent are forgeries. got up by a miserable quack, in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines. may 8

SONGS FOR THE PEOPLE.

AIR—*"And you'll remember me.*

What other joys, what other hopes
May fill the heart with glee,
Give me the greatest soap of soaps—
Oh! JONES's SOAP for me.
When pimples come upon the face
As I've seen come on thee,
If you would these defects erase,
Oh! do remember me.

When winter's winds, with rugged power,
May chap the hands and face;
When summer's sun your charms deflower,
Will burn and tan each grace;
When freckles or when yellow skin
From face or neck should flee—
At such a moment I must win,
And you'll remember me.

Then JONES's SOAP will show its power
Upon your face and neck—
Your skin more clear than fairest flower,
Without a blotch or speck;
And then from freckles pimples, tan,
Your skin will be quite free—
Thus you'll be made the love of man—
And you'll remember me.

Sold at JACKSON'S Patent Medicine Warehouse 39 Liberty street, head of Wood—at the same place is sold the Moorish Hair Dye and Spanish Lilly White.

Principal Office—Sign of the American Eagle, 83 Chatham st., New York.

AIR—*"The Old House of Home."*

O that old head of mine, where my jetty hair dwelt,
And where scurf or where dandruff was never yet felt,
Where my love so oft rambled, (that is,) her thoughts and her fingers,
'Tis on that hair of mine that my fancy now lingers.
Yet dearer, far dearer than aught living or dead,
Is that beautiful hair that then grew on my head.

But though I thus do complain that my hair was long lost,
It is once more restored, at a very small cost;
For I have bought for *three shillings*—'tis a trifle to give
For a bottle of JONES' famed *Hair Restorative*;
And now dearer, far finer than 'twas ever before,
Is my hair, since Jones' famed Hair stuff did it thus restore.

It is an honest truth, that a 3s. bottle of Jones's Coral Hair Restorative will give any one a good head of hair. It forces the hair to grow, stops its falling off, cures scurf, and dresses the hair, keeping it in order, thrice as long as any thing else made—just try it. Sold at JACKSON'S Patent Medicine Warehouse, 39 Liberty street, Pittsburgh, head of Wood—at the same place is sold the Moorish Hair Dye; Spanish Lilly White and Italian Chemical Soap.

FOREIGN NEWS.

ARRIVAL OF THE

STEAM SHIP

CAMBRIA.

AT CAPE COD.

8 Days Later from England!

An attempt upon the life of Louis Phillippe—Flight of the Spanish Minister—The Oregon question quiet—Rise in Cotton, &c.

Dearth of Papers—It is difficult this morning to give a very full record of the news, as it was obliged to be transcribed from the one paper at the Merchant's Exchange, to which the whole press had equal access. The news, however, is not of any particular interest.

We gather our intelligence from Wilmer & Smith's European Times.

The royal mail steamship Cambria, Capt Judkins, left Liverpool on the 9th of April last, at 4 P M. and arrived at Halifax on the 1st inst. at noon, and left at 4 P M. She brought from 90 to 100 passengers to Halifax and left about 30 there. On Saturday night about 20 minutes to 12 o'clock, the weather being foggy, the boat running at half speed, and just about being stopped for the purpose of sounding, she touched slightly on the bottom; she then canted broadside to the beach. It was then discovered by communication with the shore that she went ahoore on the beach off Truro, about five miles south of Hiland Light, Cape Cod and heading south.

There was quite a swell at the time, but fortunately very calm. Every effort was made to heave her off.—About a quarter past 4 o'clock the captain and passengers landed. At the last accounts she was perfectly right.

England and the United States.—The Times says the accounts from the United States have excited a good deal of attention. The message of President Polk is not considered warlike. $70,000 000 spent on the army and navy, would induce every man who contributed his quota to that astounding sum to inquire into its necessity.

Great excitement in England on the Irish coercion and corn laws—Supposed that Peel must retire. Business generally dull.

Lord Stanley expected to land on opposition to Peel The Hibernia arrived out on the 14th.

Cotton has risen 1-8th on the receipt of the news of short crops here by the Hibernia.

The London Examiner says England loves peace, but is ready for war.

American Provision Market—Good inquiries—but few arrivals—stock small. From the East the arrivals have been large.

Arrivals of Corn—Several large cargoes of Indian corn have arrived in Dublin.

Oregon Question—Nothing new has transpired on this subject, and matters remain in statu quo.

A wreck has been seen off Shoreham.

ATTEMPT TO KILL THE KING OF FRANCE.

About 1 5 o'clock on Thursday, as Louis Philippe was returning from his drive in the forest of Fontainebleau, a man seated upon the wall fired at the King. His family were with him. Several balls struck inside the carriage, but no one was injured. The assassin was arrested. His name is Lecomte. He is an old general, guardian of the forest—Journal des Debats.

IRELAND.

The news is distressing. In some parts of Tipperary the peasantry, unable to resist longer the cravings of hunger, have broken into the shops and helped themselves. The Queen of Clonmel is in a state of seige, and the poor starving people are only kept down by fear of the bayonet.

SPAIN.

The latest accounts from Spain announce the very gratifying intelligence that Narvaez has been driven out of the country. He has fled to the south of France.

Rubefacient.

Messrs. B. A. Fahnestock & Co.—GENTLEMEN: Having been agent for your family medicines the past year, and being nearly out of them at present, take this opportunity of ordering another supply. Also, of hearing testimony to the curative qualities of your Rubefacient. It has performed some very remarkable cures of Rheumatism in this vicinity, especially one of an old gentleman 80 years of age, and who has been long afflicted and could get no relief until he tried your Rubefacient, when, after the use of only two bottles, it *effected a perfect cure.* I have witnessed the same success of it in several cases and have never known it to fail of perfecting a cure. I believe it is decidedly the best remedy for that distressing complaint now offered to the public.

Also, I have observed the most salutary effects of your Cough Balsam; too much credit cannot be awarded you for putting up such valuable medicines at so low a price as 25 cents only per bottle. They are a blessing to the poor. Please forward me another assortment per order, early in the spring.

DR. JACKSON'S PILE EMBROCATION

From the Editor of the Philadelphia Times;

HIGHLY IMPORTANT!—Jackson's Embrocation never fails. It is the only medicine now sold for the cure of one of the most common and troublesome diseases.

A friend who has been cured by it, asks us to speak warmly in praise of the efficacy of Jackson's Pile Embrocation. He describes it as being the very best remedy of the kind ever imagined by enthusiasts in pharmacy.

Mr. Ashford's letter must decide the question in the mind of every one.

PILES! PILES!! PILES!!

Rarely a day passes that we do not get some testimony, either verbal or written, of the great efficacy of Dr. Jackson's Pile Embrocation. Read the following:

NEW YORK, 721 Broadway, September 2, 1845

Dr. N. JACKSON—Dear Sir: Will you send me six bottles of your pile embrocation? I wish them put to keep myself and part for a legal gentleman, a friend of mine, who has found great relief in using from my bottle two or three times. You remember, when in Philadelphia, I was suffering dreadfully from this terrible scourge, I only took one bottle from you; I have not used it quite all, and am now perfectly well. As you may suppose, I proclaim the virtues of your medicine wherever I go. I tell every friend about it, and it is singular to perceive how many are suffering in this way—I believe half of my acquaintances are more or less afflicted. Let me tell you that you can sell here as fast as you choose to make. When you want a certificate from me you shall have it, and you are at liberty to show this letter if you wish.

Respectfully, yours, LEWIS P. ASHFORD.

☞ A supply of the above article has just been received, and for sale in Pittsburgh at the Pekin Tea store. No. 72 Fourth street near Wood. Price $1 per bottle, or six bottles for $5.
