erable hazard, can seldom be checked suddently, it has proved itself far more valuable than any medicine heretofore offered to the public. This preparation cannot be too strongly recom-mended to the many thousands now suffering from Dyspepsia or Indigestion, and its consequences.— Billious and Nervous Headache, Diarrhœa, Consti-pation, Gout, Rheumatism, Flatulency, Gravel, &cc. —as the utmost reliance can be placed on it, both as to innocent nature and highly curative qualities. It is palatable to the taste, and curative to the stomach; of extreme service to the nervous, dyspep-tic and sedentary, and by soothing the digestion, is a gentle and safe restorative to those who have
