There is also abundant evidence that the territory between the Neuces and the Rio Grande, belonged to the province of Texas, before the organization of the Republic. We will now ask the attention of the Editor of the Gazette to Mr. Adams' views on that subject. In a letter to Don Onis, dated 13th March, 1818, Mr. Adams said:

At the request of Dr. G. Benjamin Smith's agent we cheerfully state that we visited the office of Dr. Smith in September last, while in New-York, and found him to all appearance carrying on a very extensive business with his Sugar-Coatd Indian Vegetable Pills. The extent of his establishment would astonish any one not initiated in the mysteries of the pill trade.—Louisville Journal.
