Cinc The editor of the Gazette is in a great passion. The fact is the editor in the superabundance of his conceit, has ventured to make assertions in reference to Gen. Taylor's position and the Texan boundary, which we have shown to be utterly false, and dary, which we have shown to be utterly false, and common feeling and interest, in which the good Deacon finding himself in a 'tight place,' has resorted to low abuse, in the vain hope of diverting public attention from the point at issue. He attempted to show that President Polk had trampled upon the constitution of his country—that Gen. Taylor, by his orders, had invaded Mexico—that his army was posted upon soil which did not belong to Texas, and over which neither the Republic or the United States had ever exercised civil juristic to the United States had ever exercised civil juristic the content of the states blown down, killing several of the children, and wounding Mr. Sample the teach the children, and wounding Mr. Robertson, the wife and two children of a Mr. Robertson, that were killed by the blowing down of his house, that were killed by the blowing down of his house, and one or two of Mr. Sakes children, and two of Mr. Sakes children, and two children of a Mr. Robertson, that were killed by the blowing down of his house, and one or two of Mr. Sakes children, and two children of a Mr. Robertson, that were killed by the blowing down of his house, and one or two of Mr. Sakes children, and two children of a Mr. Robertson, that were killed by the blowing down of his house, and one or two of Mr. Sakes children, and two children of a Mr. Robertson, that were killed by the blowing down of his house, and one or two of Mr. Sakes children, and two children of a Mr. Robertson, that were killed by the blowing down of his house, and one or two of Mr. Sakes children, and two children of a Mr. Robertson, that were killed by the blowing down of his heart two children of a Mr. Paines, as all that he could name positively in addition to those whose deaths are previously and diction. All this he stated with a view of show-immediately to prepare them for the Public Sering that the American government was in the wrong, and that Mexico was an injured nation. In reply, we referred to official document, and proved concies, by the harmony and energy of the people of the Union is made.
