plied, would diminish it in about the same proportion. And yet the agent declares that no invisteries are presented! They have an agent at Pekin, but he is incog. They have another at Canton, but he is equally unknown; and at New York they receive \$500,000 worth of black tea, which every body at the Richard Ra stouch of black tea, which every body at the custom House is ignorant of! Now we couless that hese things appear so strange to us—so exceedingly nysterious, as to shock our crodulity not a little, and at the risk of being still considered "ill mannered," we must persist in classing such aunonneements with the quackeries and humbugs of the day.

It was also stated that the Canton Tea Company was injustors of them, or in other words, that allowed. Samuel Allen. was imitators of them; or in other words, that allured by their success, we had been induced to organize our present establishment—whereas, in point of fact, we had, as already stated, carried on our business successfully FOUR YEARS before the Pekin Tea Company was heard of! And without arrogating to ourselves any great degree of sagacity or penetration we may venture to assert that it was the unparalelled success of the Canton Tea Company, the unitary of the Canton Tea Company, the unitary of the Canton Tea Company the Unitary of the Canton Tea Canton Tea Company the Unitary of the Canton Tea Canton Tea Canton Tea Canton Tea Company the Unitary of the Canton Tea Canto versal celebrity of their tens, and the increasing de-mand for the same, that gave birth to the Pekin Tea-Company, and in fact that the very existence of that establishment is an acknowledgement of the superiority of our method of business, and of the preser-
