THE PITTSBURGH DAILY MORNING POST. BIGLER, BARGEST & RIGLER. MONDAY MORNING, JUNE 1, 1646. ne Office.) ning the Tribune Office.)
Boston, No. 12, State street.
Philadelphia, Real Estate and Coal Office, 59 Pine street BALTIMORE, S. E. corner Baltimore and Calverts, where our paper can be seen, and terms of adverti-At a meeting of the Duquesne Greys, held FOUND DEAD -- Yesterday afternoon a man chair, in his own house in the First Ward, Allegheny city. The Jury summoned by Coroner Hartz, after hearing testimony, rendered a verdict declaring that he (Reed) came to his death from the effects of intemperance, and not otherwise." n The Real Estate of B. McLenan, Esq., late of Cincinnati deceased, will be sold this day, at 10 o'clock, by P. McKenna, Auctioneer. The sale will commence on the Lots at the corner of Grant and Sixth streets, and thence proceed to the 5th of Edgar A. Poc : quite as able to give lessons in stage routine to any prietor, actor or actress in America as was any actor or actress to give lessons to her. Now, at least, she should throw all "support" to the winds, trust proudly to her own sense of art, her own rich and natural elo-And the state of the control of the

A Miracle—to cure Eruptions and beautify dis. SUMMER ARRANGEMENT colored Skin.—A valuable discovery in Chemistry has been made lately by M. Vesprini, an Italian Chemist, for curing all eruptions, and for changing the color of dark, yellow or discolored skin to a fine juvenile and youthful clearness. He has made is the Agent for country newspapers, this in the convenient form of a beautiful piece of Soap. For any old cases of eruption, such as scuradvertisements and subscriptions. He has offices in New York, at the Coal Office, 30 Ann street, (adjoining the Tribune Office.) See that lady, what a fright; Jones's splendid Lily White Would give herskin a natural aue. But you note, in spite of talk, She will use the common chalk: If that same lady, and many others, had used on Saturday John Herron, was elected Captain. Jones's Lily White, her face and cheeks would have had (a natural,) life-like, alabaster white. Sold at JACKSON'S Patent Medicine Ware named Charles Reed was found dead, seated in a house, 80 Liberty street, head of Wood. Mankind! at least that part of you With scalp quite bald and bare, You can have splendid—indeed, 'tis Most glorious silky hair.
If you have dandruf on the scalp; If the hair turns white or gray, To cure the scurf, and make it dark You've but three Bits to pay.
If your head is bald, the hair weak or falling And you would have it live, Why, try at once a bottle of Jone's Hair Restorative.

Three shillings only for a trial bottle. War-Mrs. Mowart appears to night as Julia, in the success this. It is indeed the most economical, smeth admired play of the "Hunchback." Mrs. Mowart has been performing in the eastern cities to crowded houses—she is a charming actress, and as an authories has acquired a high reputation.—The Jung number of Godey's Magazine contains the following notice of her acting, from the pen before the following notice of her acting, from the pen before the following notice of her acting, from the pen before the following notice of her acting, from the pen before the following notice of her acting, from the pen before the following notice of her acting, from the pen before the following notice of her acting, from the pen before the following notice of her acting, from the pen before the following notice of her acting, from the pen before the following notice of her acting, from the pen before the hair. It is cheaper that your Committee hate carefully examined from the following the following the following number of the kind referred to in the retition, put on in this city. These roofs, as nearly us they have been able to ascertain, are constructed in the following manner. A sheathing of boards is first made, placed close together, these are covered with a coating of Backus composition, three layers of oakum paper are then placed.

Olid:

On the sheathing with a coating of composition on the sheathing, with a coating of composition of composition of coating the following manner. A sheathing of boards is first made, placed close together, these roofs as nearly all of the roofs of the kind referred to in the retition, put on in this city. These roofs as nearly all of the roofs of the kind referred to in the retition, put on in this city. These roof In collowing now the part of collowing moder of her acting, from the part of contractors to a finite part of part of the part of contractors to a finite part of part of the part of contractors to a finite part of part of the part of contractors to a finite part of part of the part of contractors to a finite part of part of the part of p on the sheathing, with a coating of composition the dawdling instruction in the world. Mrs. Braun & Reiter, and the the retail stores generally. Mowatt, on her first appearance as Pauline, was Prepared and sold wholesale and retail by the protar, of which it is principally composed, would carry a stream of the through the building, on which EDGAR THORN, Druggist. Interview and support? to the winds trust groundly to be evoided to the covidence of arther own firsh and natural election; her beauty, which is unusual, her grace, which is questive and as succeeding the season of the opinion that it was been recommended, by those who have given it a fair test in this country, and the winds, as the more great acteries, when considered simply as the means by which the end of natural acting is to be natural, as the more instruments by which the end of natural acting is to be intained, as the more instruments by which the end of natural acting is to be intained, as the more instruments by which the end of natural acting is to be intained, as the more instruments by which the end of natural acting is to be intained, as the more instruments by which the end of natural acting is to be intained, as the more instruments by which the end of natural acting is to be intained, as the more instruments by which the end of natural acting is to be intained, as the more instruments by which the end of natural acting is to be intained, as the more instruments by which the end of natural acting is to be natural acting in the property of the additional acting the warm weather by the same instruments by which the end of natural acting is to be natural acting in the property of the same instruments by which the end of natural acting is to be natural acting in the property of the same. Her vice in the property of the same instruments by a substitution of the property of the same. Her vice in property of the same instruments by a substitution of the property of the same instruments of the work of the property of the same instruments of the work of the property of the same instruments of JAYNE'S EXPECTORANT. we I formed, with the Roman curve, and indicative of energy. This qualify is also shown in the somewhat excessive prominence of the chin. The mouth is large, with brilliant and even teeth and flexible lips, capable of the most instantaneous and festive variations of expression. A more radiantly beautiful smile it is quite impossible to conceive.

Herefigure is slight, even fragile. Here face is a remarkably fine one, and of that precise character best adapted to the stage. The forehead is, perhaps, the least prepossessing feature, although it is by no means an unintellectual one. Hair light anburn, in rich profusion, and always arranged with exquisite taste. The eyes are gray, brilliant and Jaundice, for which she commenced the use of Dr. Jayne's Alterative, which she took for and expressive, with the Roman curve, and indicates a small plant of the sufficient of the suff On consignment and for sale by J.
