The Democratic candidate for Congress.—The nominee of the Democratic Convention should be, it possible, the very strongest man in the county. We require not only an able man, but one who unites both ability of the first order and general popularity. Such a man is Col. WILSON M-CANDLESS—let the Democracy rally upon this able and eloquent champion of their principles, and success is certain. The people of this District require his services in Congress, and will not be denied.

Mr. Editor.—Having been a devoted friend of Rody Patterson, for the office of Sheriff, in a former occasion, I beg leave to bring him before the Democratic eonvention again, for a nomination for that pffice. I feel confident that if placed before the people, by the county Convention, he will be triumphanly elected:

A DEMOCRAT.
